**PART B - EXPLANATORY NOTES PURSUANT TO APPENDIX 9B OF THE MMLR**

**1. Performance Review**

**Quarter Ended 30 June 2017**

There will be no comparative figures following the change of financial year end from 31 December to 30 June. The comparative figures will only be available from the first quarter of the financial year ending 30 June 2018.

The Group recorded a revenue of RM44.31million and loss before tax ("LBT") of RM263.58million for the current financial quarter ended 30 June 2017.

The LBT was mainly due to provision for impairment on plant and equipment, trade receivables in relation to the charter of offshore support vessels, prepayment at the consolidated level and provision for impairment on plant and equipment and higher depreciation at the joint venture level.

**2. Material Change in Profit Before Tax ("PBT") In Comparison to the Preceding Quarter**

For the current financial quarter ended 30 June 2017, the Group recorded a LBT of approximately RM263.58million against a LBT of RM60.40million recorded in the preceding quarter.

The LBT was mainly due to provision for impairment on plant and equipment, trade receivables in relation to the charter of offshore support vessels, prepayment at the consolidated level and provision for impairment on plant and equipment and higher depreciation at the joint venture level.

**3. Future Prospects**

The outlook for the demand for the oil and gas assets in the short to medium terms remain challenging. The Group will remain cautious on its capital and cost management. Operational efficiency of the operating asset is expected to be maintained.

On 22 June 2017, Perisai Offshore and PCSB have agreed to extend the duration of the contract for the provision of jack up drilling rig, PP101 based on a formula agreed between Perisai Offshore and PCSB which is primarily dependent on the prevailing market rate for the daily charter. Unless there are changes to the prevailing market rate, the contract is expected to be extended for a period of approximately twenty (20) months.

The contract for Perisai Kamelia had expired in May 2017 and the contract for eight (8) offshore support vessels will be expiring by end of August 2017. The Group is pursuing various opportunities for all its assets.

The Company is in the midst of formulating a regularisation plan which will be submitted to Bursa Malaysia within 12 months from 12 October 2016 as the Company has triggered the prescribed criteria pursuant to Paragraph 8.04 and Paragraph 2.1 (f) of Practice Note 17 ("PN17") of the Main Market Listing Requirements ("LR") of Bursa Malaysia Securities Berhad ("Bursa Securities") after its wholly-owned subsidiary, Perisai Capital (L) Inc had defaulted in payment of the principal and interest for the SGD\$125 million 6.875% multicurrency medium term notes. Principal adviser has been appointed to assist the Company on its regularisation plan.

The Corporate Debt Restructuring Committee ("CDRC") has on 9 November 2016 accepted the Company's application for assistance to mediate with the Company's lenders on a proposed debt restructuring scheme. CDRC has requested the Company's lenders to observe an informal standstill and withhold litigation proceedings against the Company with immediate effect.

CDRC is a pre-emptive measure by the Malaysian Government to provide a platform for corporate borrowers and their creditors to work out feasible debt resolutions without having to resort to legal proceedings. This initiative has been put in place to ensure that all avenues are made available to assist distressed corporations to resolve their debt obligations.

---

The proposed debt restructuring scheme was submitted to CDRC and several meetings were held with the Scheme Creditors in the presence of CDRC.

The proposed debt restructuring scheme is expected to be finalised with the Scheme Creditors by fourth quarter of 2017.

On 12 January 2017, the Company and its wholly-owned subsidiary, Perisai Capital (L) Inc (“Perisai Capital”) have been granted orders pursuant to Sections 176(1) and 176(10) of the Companies Act 1965 (“the Act”) by the High Court of Malaya (Commercial Division) at Kuala Lumpur restraining all proceedings and actions brought against the Company and Perisai Capital (“the Order”).

The Order was applied for as part of the Company’s plan to regularise its and the Group’s financial condition through, amongst others, proposed schemes of arrangement. The details of the proposed schemes of arrangement which will be issued to the Scheme Creditors, will be announced in due course.

The Order is for a period of ninety (90) days effective from 12 January 2017.

On 5 May 2017, the Court has granted the Restraining Order for (3) three months from 5 May 2017.

On 15 May 2017, a Winding-Up Petition pursuant to Section 218 of the Companies Act, 1965 together with a copy of the Affidavit Verifying Petition (“the said Winding-Up Petition”) has been served on Perisai Pacific 102 (L) Inc (“Perisai Pacific”), a subsidiary of Perisai Drilling Holdings Sdn Bhd (a wholly-owned subsidiary of Perisai Petroleum Teknologi Bhd) by Messrs Yeoh & Joanne, the Solicitors who act on behalf of Tech Offshore Marine (S) Pte Ltd (“Tech Offshore”) demanding for the payment of the total outstanding sum owing by Perisai Pacific to Tech Offshore amounting to USD178,636.00.

The Winding-Up Petition was presented to the High Court of Sabah and Sarawak in the Federal Territory of Labuan and the hearing is fixed on 4 September 2017.

The Company will not defend these proceedings and will not contest the winding-up proceedings.

**(iii) NOTICE OF DEMAND**

On 22 August 2017, Perisai Drilling Sdn Bhd (“PDSB”), the sub-subsiary of Perisai had been served with a Notice of Demand (“Notice”) from Skrine acting on behalf of Konsortium Pelabuhan Kemaman Sdn Bhd (“KPKSB”), Pangkalan Bekalan Kemaman Sdn Bhd (“PBKSB”) and EPIC Mushtari Engineering Sdn Bhd (“EPIC”) (Collectively the “Claimants”) demanded for the sum of RM13,682,059.93 due and owing to the Claimants.

The claim originated from the letter of offer dated 1 August 2016 (“Letter of Offer”) in which EPIC agreed to offer PDSB its facilities including but not limited to providing berthing space for its rig namely, Perisai Pacific 101 (“Rig”) within the Kemaman Port. The Notice alleges that as a result of PDSB’s failure to moor the Rig on 5 September 2016, the Rig broke free of the moorings, drifted off and came into contact with a mobile offshore unit, namely Naga 4 and subsequently, the Rig continued drifting and collided with Berth 6 and 7 respectively, which are owned by PBKSB. The Notice further alleges that as a result of the collision, the finger jetty, Berth 6 and 7 and quay wall/wharf of Pangkalan Bekalan Kemaman were damaged.

The Notice alleges that due to the breach of PDSB’s contractual obligations to moor the Rig under the Letter of Offer, the Claimants had suffered losses and damages in the sum of RM13,682,059.93 as at 4 August 2017. The Claimants also reserve their rights to claim for loss of revenue suffered after 4 August 2017.
