The segment information has been prepared in accordance with the disclosure requirements of MFRS 8: Operating Segments. For management purposes, the Group is organised into the following major business segments based services, which are regularly provided to and reviewed by the management team:

- 1. Public Investment, Venture Capital and Private Equity
- Investment in public equities, high growth entities, management of private funds and holding of long term investments.

2. Holding Entity

- Investment holding.

Segment revenue and results include items directly attributable to a segment as well as those that can be allocated on a reasonable basis.

The inter-segment transactions have been entered into in the ordinary course of business at terms mutually agreed between the companies concerned and are not more favourable than those arranged with independent third parties. These transactions have been eliminated to arrive at the Group's results.

The Group registered a profit after tax of RM5.18 million for the six months ended 30 June 2022 as compared to RM10.26 million for the preceding six months ended 30 June 2021. The lower profit after tax was mainly due to fair value losses arising from our public equity portfolio.

For the current quarter under review, the Group registered a loss after tax of RM3.78 million as compared to a profit after tax of RM2.11 million of the corresponding quarter in 2021. The current quarter losses was mainly due to downward valuation in both public and private equity portfolios.

# 2. Material change in quarterly results before taxation for the current quarter compared with the immediate preceding quarter

# PART B - Explanatory Notes Pursuant to Appendix 9B of the Listing Requirements of Bursa Malaysia Securities Berhad ("Bursa Securities") for ACE Market

#### 3. Current prospects and progress on previously announced financial estimate

#### (a) Current prospects

With the markets downturn reflecting investor pullbacks amidst the heightened geopolitical risks, inflationary pressures and tightening monetary environment, we take a cautious approach to our public equity portfolio to ride out the volatility for the current year ahead. Our private investment portfolio in the meantime will have new investments completed by December 2022 and we expect to achieve satisfactory results for the current year.

(b) Progress and steps to achieve financial estimate, forecast, projection and internal targets previously announced

There was no financial forecast previously announced by the Group.

4. Statement of the Board of Directors' opinion on achievability of financial estimate, forecast, projection and internal targets previously announced
