#### **QUARTERLY REPORT FOR THE SECOND QUARTER ENDED 30 JUNE 2024**

#### B ADDITIONAL INFORMATION REQUIRED BY THE LISTING REQUIREMENTS OF BURSA SECURITIES

#### **B1** Review of performance

The Group's revenue in the current quarter recorded a 60.59% increase of RM343.18 million to RM909.61 million from RM566.43 million in the corresponding quarter of the previous year. This was attributed by the increase of RM340.47 million in the revenue of Oil Bunkering & Shipping Related Services Segment as the cargo volume sold had increased by 48.63%. The cargo volume increase in the current quarter was due to availability of higher vessel capacity in the current quarter as compared to the corresponding quarter of the previous year, where one vessel was chartered to a third party and another vessel was sent for dry docking. Telecommunication & Network Services also recorded an increase in revenue of RM3.46 million compared to the corresponding quarter of the previous year as part of the contracts that are secured in the second half of 2023 are being carried out in the current quarter.

The Group's profit before tax ("PBT") had decreased by RM5.16 million to RM2.14 million from RM7.30 million in the corresponding quarter of the previous year. The decline was primarily due to a 128.56% increase in interest expenses, as the Group utilised additional working capital financing facilities of approximately RM221 million in the current quarter to meet the financing needs of its increase in revenue.

Our associate company CBL International Limited ("CBLIL"), which is listed on National Association of Securities Dealers Automated Quotations ("NASDAQ") Stock Exchange is only required to disclose and announce its results on a half yearly basis. As such, the Group did not recognise any estimated share of associate's result in the current quarter until the associate announces its half-yearly financial results.

#### B2 Variation of results against preceding quarter

	Current Quarter	Preceding Quarter 31 Mar 2024	Changes	
30 June 2024 RM'000		RM'000	RM'000	%
Revenue	909,614	797,314	112,300	14.08
PBT	2,135	1,071	1,064	99.35
Profit After Tax	897	404	493	122.03
Profit Attributable to Owners of the Parent	846	468	378	80.77

The revenue in the current quarter increased by RM112.30 million to RM909.61 million from RM797.31 million in the preceding quarter attributed substantially to the Oil Bunkering & Shipping Related Services Segment and Telecommunications & Network Services Segment. Oil Bunkering & Shipping Related Services Segment contributed to an increase of RM109.48 million in its revenue as a result of an increase of approximately 14.32% in the cargo volume sold. Telecommunications & Network Services Segment contributed to a revenue increase of RM2.57 million as one of the projects shifted from preparatory work stage to civil, mechanical and electrical work stage in the current quarter as compared to the previous quarter.

The Group's PBT increased by RM1.06 million to RM2.14 million from RM1.07 million in the preceding quarter as the weakening of the RM against USD had contributed to the increase in the Group's foreign exchange gain of RM4.55 million. This gain helped to mitigate the rise in interest expenses of approximately RM5.91 million in the current quarter.

#### B3 Group's prospects

The Telecommunication & Network Services Segment is expected to see further growth in 2024 and 2025 as it carries out the implementation of the contracts that it secured in 2023 and it is also actively pursuing other projects in the pipe line. The Group had announced the acceptance of two major letter of awards of RM71.56 million awarded by Teras Khidmat Niaga Sdn Bhd and RM27.74 million awarded by Tianu Sdn Bhd in October 2023 for this segment.

#### B12 Material litigation / arbitration

Arbitration Proceeding between ING Bank N.V ("ING" or "First Claimant"), O.W. Bunker Far East (Singapore) Pte Ltd ("OWBFE" or "Second Claimant"), collectively referred to as the "Claimants") and Tumpuan Megah Development Sdn Bhd ("TMD" or "Respondent").

OWBFE, a company that was engaged in sale of marine bunker fuels, went into liquidation. ING was appointed as assignee of OWBFE's receivables, which gave ING the right to collect any outstanding payment owed to OWBFE.

ING subsequently commenced arbitration against TMD in London. ING/OWB's case is that TMD purchased bunkers from OWBFE and that the bunkers were duly supplied to TMD's vessels as evidenced by the Bunker Receiving Reports. TMD's position was that the supply never took place.

On 26 January 2021, ING/OWBFE filed an originating summons in the High Court of Malaya at Kuala Lumpur seeking to have the English High Court judgment registered as a judgment of the High Court of Malaya pursuant to the Reciprocal Enforcement of the Judgment Act 1958 (Malaysia). The High Court of Malaya, on an ex parte basis, granted ING/OWBFE's application to register the English High Court judgment.

On 14 April 2021, TMD received a sealed Order of the High Court of Malaya at Kuala Lumpur dated 22 March 2021 and undated Notice of Registration of Foreign Judgement for USD937,353 with interest and cost to register the English judgement as a judgement of the High Court of Malaya.

Since then, TMD had taken steps to strenuously resist the attempt to enforce the UK Arbitration Award which TMD contends was issued without jurisdiction and TMD's solicitors had on 27 April 2021 filed an application to the High Court of Malaya, Kuala Lumpur to set aside the said sealed Order and undated Notice of Registration of Foreign Judgement.

TMD's initial application for a full trial of the triable issues was dismissed by the High Court, however the Court of Appeal on 17 November 2023 had allowed the said appeal, pursuant to which the appellants applied for leave to appeal against the Court of Appeal's decision, and the Federal Court granted the leave on 30 May 2024.

TMD's Solicitors had on 20 August 2024 informed the Company that pursuant to a Leave granted by the Federal Court to ING Bank and OWB on 30 May 2024, the Federal Court has fixed the Case for hearing on 27 November 2024.

Notwithstanding the ongoing arbitration which commenced on 2 May 2017, the Vendor (Raja Ismail Bin Raja Mohamed) via an irrevocable Personal Guarantee dated 30 April 2020 had undertaken to indemnify the Company against the liabilities of TMD arising from the arbitration and shall promptly pay such liabilities upon receipt of a payment demand from the Company and accordingly, no provisions have been made in the financial statements.

The Board is of the opinion that if in the event the outcome is not in favour of the Company, there will be no adverse material effect on the Company as the potential liabilities arising therefrom is fully indemnified by the Vendor i.e. Raja Ismail Bin Raja Mohamed.
