did not engaged in any material litigation, claims or arbitration either as plaintiff or defendant, which may have a material effect on the Group's financial position or business upon becoming enforceable, and the Directors does not aware of any proceedings pending or threatened against the Group or any facts likely to give rise to any proceedings which may materially and adversely effect the Group's financial position or business:

- (a) Multimedia Research Lab Sdn Bhd ("MSB"), a wholly owned subsidiary company of MLABS filed a summons and statement of claim on 6 February 2004 against Paneagle Holdings Bhd claiming for the sum of RM210,000 being the balance payment for the supply and installation of software, RM39,498.90 being interest chargeable until 31 January 2004, interest at two (2) % per month on RM210,000 from 1 February 2004 until the date of judgement, interest at eight (8) % per annum on the judgement sum from the date of judgement until full settlement and costs. On 7 May 2004, MSB filed an application for summary of judgement. On 28 October 2005, the court held that there were triable issues and the application for summary of judgement was dismissed with court charges.

The solicitors representing MSB in the above case is of the opinion that MSB stands a good chance in succeeding in the claim. The case had proceeded to pre-trial case management and was fixed for mention on 27 January 2006 and had been postponed to 7 April 2006. The case was adjourned to 9 June 2006 then adjourned to 22 September 2006 .The first hearing date was fixed on 6 February 2007 and had been postponed to 12 June 2007 .On 12 June 2007 the case was fixed for mention on 15 August 2007 and was postponed to 12 November 2007 and now fixed for hearing on 5<sup>th</sup> March 2008.

- (b) MSB filed a summons and statement of claim on 14 July 2006 against The Star Publication (M) Sdn Bhd ("The Star") over an article dated 23 August 2005 which appeared in the Publication on 23 August 2005 criticising the technology behind the Company. The solicitor in charge is of the opinion that MSB has an arguable chance of succeeding in this case. However, it would be difficult to state the probable award as it would depend on how the court assesses the damage done. Mlabs have filed the Reply to the Statement of Defence and are now still awaiting instruction from the court with regard to Case Management.
- (c) MSB filed a summons and statement of claim on 14 September 2006 against MIMOS Berhad for breach of contract arising from the suspension of the Company's domain name resulting in interruption to domain access.The claim involves a new but growing area of law in this country. Mlabs' solicitor is of the opinion that the Company has a good chance of succeeding but the question of damages would depend on the court by referring to the actual losses incurred as a result of wrongful suspension of the domain name. After going through the Statement of Defence, MLABS has applied to amend the Writ of Summons and Statement of Claim to alter the name of the Plaintiff and the application was objected by Defendant solicitor and the case has been refiled.
