For the current quarter ended 31 March 2019, the Group recorded revenue of RM0.201 million, compared to the corresponding quarter in previous year of RM0.205 million. The loss before tax was higher than corresponding quarter in previous year mainly due to change of depreciation policy on plant & equipment from 10 years to 5 years.

Revenue for the current year to-date ended 31 March 2019 represents an improvement of 120% compared to RM2.104 million in the preceding year to-date mainly due to the company's strategy to increase its revenue by reducing its gross profit margin to increase demand for its software products. The Group recorded loss before taxation of RM5.510 million in current year to-date compared to RM4.040 million in previous year to-date, mainly due to lower gross profit margin and higher marketing expenses.
