18. CURRENT YEAR REVIEW AND PROSPECTS FOR FINANCIAL YEAR 2017

The Group registered double digit growth for the financial year as compared to the preceding year, cumulating in a healthy increase in revenue and profit before taxation of 11.00% and 31.92%, respectively for the financial year ended 30 June 2016. The increase in the Group's profitability is attributable to organic growth from existing Outsourcing projects and new Outsourcing projects secured during the year. Revenue and direct contribution for the current financial year from the Outsourcing division has grown by 11.26% and 21.42% respectively as compared to the preceding financial year.

Prospects for financial year 2017

Outsourcing

The Outsourcing division expects to achieve growth in terms of revenue and profit for the financial year 2017 in line with newly secured business and a healthy pipeline of projects.

Education

The Education division continues to face challenges in securing new training contracts during the financial year due to a significant reduction of training budgets available in both the public and private sector. The resources available in the Education division are being utilized effectively to provide training to employees of the Group. The Intellectual Property (IP), methodologies, track record and experience of the Education division augers well for the future as the economy improves and business development initiatives come to fruition.

Overall the Group expects to continue to achieve growth in terms of revenue and profitability for the financial year 2017.

The Company was first awarded the Multimedia Super Corridor ("MSC") status on 7 November 2002 and the latest renewal was renewed for a further five years' term expiring on 6 November 2017. In association with the MSC status, the Company was awarded pioneer status which accords the Company with five years of income tax exemption on a portion of the Company's statutory income. During the financial year, the income tax exemption on the Company's statutory business income was revised down from 100% to 70% for the remainder of its MSC status term beginning 7 November 2015. The provision for tax expense has been made with the application of the income tax exemption as the Company has met the conditions stipulated by the Ministry of Finance. The Malaysian current income tax is calculated at the statutory tax rate of 24% (2015: 25%) of the estimated assessable profit for the financial year.

A subsidiary of the Company has received tax assessment notices of RM1.4 million, INR23.8 million (2015: RM1.4 million, INR23.8 million). These assessments are in respect to transfer pricing adjustments and the disallowance of certain expenses for tax purposes. Currently, the subsidiary is challenging the assessments in the Income Tax Appellate Tribunal, in India. The Board of Directors have received expert advice on this matter from a tax agent. Based on the advice received, the Board of Directors are of the view that no significant liability will crystallise from these assessments.
