## PART B: EXPLANATORY NOTES PURSUANT TO APPENDIX 9B OF THE LISTING REQUIREMENTS OF BURSA SECURITITES FOR THE ACE MARKET (CONT'D)

#### **B3** PROSPECTS FOR THE FINANCIAL YEAR 2020

It will be a challenging year for the Company as we are continuing to expose to external risks such as COVID-19 pandemic which affected the global economy. As the Company performance was already affected in first quarter 2020, we are monitoring the situation closely.

It is still uncertain about the international trade war tensions that may happen again affecting global supply chain. Thus certain customers might continue pushing back orders due to the risk in tariffs hike. Other risks affected are increase in operating cost in basic pay, hiring cost and rental expenses particularly in China.

Nevertheless, the Group is currently implementing strategies to further enhance its presence in the lucrative but highly competitive automotive, white goods and smart connected devices markets. The Group is also exploring the possibilities to reduce risk in supply chain such as relocation of production plants.

#### **B4 VARIANCE OF FORECAST AND PROFIT GUARANTEE**

The Group did not issue any profit forecast or profit guarantee and thus this is not applicable to the Group.
