M N C WIRELESS BERHAD (Company No. 635884 - T) (Incorporated in Malaysia)

NOTES TO THE QUARTERLY REPORT - 31 JANUARY 2020

Part A - Explanatory Notes Pursuant to Malaysian Financial Reporting Standards ("MFRS") 134 - Interim Financial Reporting

1. Basis of preparation

The unaudited interim financial statements have been prepared in accordance with MFRS 134: Interim Financial Reporting issued by the Malaysian Accounting Standards Board ("MASB") and Chapter 9 of the Listing Requirements of Bursa Malaysia Securities Berhad. The interim financial statements should be read in conjunction with the audited financial statements of the Group for the financial year ended 30 April 2019.

The accounting policies and methods of computation adopted by the Group in this interim financial statement are consistent with those adopted in the financial statements for the year ended 30 April 2019 except for those standards, amendments and interpretations which are effective from the annual period beginning 1 May 2019. The adoption of these standards, amendments and interpretations has no material impact to these interim financial statements.

The significant accounting policies applied in the interim financial report are consistent with those adopted in the most recent audited annual financial statements for the year ended 30 April 2019 except for the effects of newly issued Malaysian Financial Reporting Standards ("MFRS") and IC Interpretations ("IC Int.") to be applied by all Entities Other Than Private Entities for the financial period beginning on 1 May 2019:-

MFRSs (Including The Consequential Amendments)

The Group has not applied in advance the following new MFRSs and amendments/improvements to MFRSs that have been issued by MASB but not yet effective for the current financial period beginning on or after 1 May 2019 as listed below:

MFRSs (Including The Consequential Amendments) Definitions of a Business Amendments to MFRS C3 Business Combinations	Effective Date 1 January 2020
Amendments to References to the Conceptual Framework in MFRS Standards	1 January 2020
Amendments to MFRS 108: Accounting Policies, Changes in Accounting Estimates and Errors – Definition of Material	1 January 2020
MFRS 17 Insurance Contracts	1 January 2021
Amendments to MFRS 10 Consolidated Financial Statements - Sale or Contribution of Assets between an Investor and its Associate or Joint Venture	To be announced
Amendments to MFRS 128 Investments in Associates and Joint Ventures - Sale or Contribution of Assets between an Investor and its Associate or Joint Venture	To be announced

The initial application of the above standards is not expected to have any material impacts to the financial statements of the Group and of the Company upon adoption except as mentioned below:

MFRS 16 Leases

MFRS 16 replaces the guidance in MFRS 117 Leases, IC Interpretation 4 Determining whether an Arrangement contains a Lease, SIC-15 Operating Leases-Incentives and SIC-27 Evaluating the Substance of Transactions Involving the Legal Form of a Lease. The scope of MFRS 16 includes leases of all assets, with certain exceptions. A lease is defined as a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration.

MFRS 16 requires lessees to account for all leases under a single on-balance sheet model in a similar way to finance leases under MFRS 117. The standard includes two recognition exemptions for lessees - leases of 'low value' assets (e.g., personal computers) and short-term leases (i.e., leases with a lease term of 12 months or less). At the commencement date of a lease, a lessee will recognise a liability to make lease payments (i.e., the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e., the right-of-use asset).

Lessees will be required to separately recognise the interest expense on the lease liability and the depreciation expense on the right-of-use asset. Lessees will be required to remeasure the lease liability upon the occurrence of certain events (e.g., a change in the lease term, a change in future lease payments resulting from a change in an index or rate used to determine those payments). The lessees will generally recognise the amount of the remeasurement of the lease liability as an adjustment to the right-of-use asset.

Lessor accounting is substantially unchanged from today's accounting under MFRS 117. Lessors will continue to classify all leases using the same classification principle in MFRS 117 and distinguish between two types of leases: operating and finance leases.

2. Changes of Financial Year End

As announced on 27 November 2018, the Company has changed its financial year from 31 December 2018 to 30 April 2019. As a result, the current and cumulative financial periods covered relating to the 3 months ended 31 January 2020 do not correspond with any of the financial quarters covered by the interim financial reports of the previous financial year. Therefore, no comparative figures have been disclosed.
