The revenue for the 2nd Quarter ended 30 September 2009 increased significantly mainly due to the same reason as the above. The Group's profit before taxation of RM2.563 million which includes compensation of RM2.620 million from the Group's insurers compared to the preceding quarter under review of RM2.620 million which includes insurance compensation of RM3.0 million from the Group's insurers.

B3 Business prospects

Our new plant was commissioned on 31 March 2009 and is currently running two (2) production lines which have a capacity of 600 to 700 metric tonnes per month depending on the product mix. With the resumption of our production activities, we have managed to regain a significant portion of our market share as well as to expand into new markets. With this positive development and barring any unforeseen circumstances, we expect the Group's performance to further improve for the rest of the financial year.
