The principal effects of the changes in presentation, changes in methods of computation and in accounting policies resulting from the adoption of the new and revised FRSs, IC Interpretations and Amendments are set out below:

FRS 101 (revised), Presentation of Financial Statements

Prior to the adoption of the revised FRS 101, the components of the financial statements presented consisted of a balance sheet, an income statement, a statement of changes in equity, a cash flow statement and notes to the financial statements. With the adoption of the revised FRS 101, the components of the interim financial statements presented consist of a statement of financial position, a statement of comprehensive income, a statement of changes in equity, a statement of cash flows and notes to the financial statements.

The effects of the change in presentation are as follows:

The exchange differences on translation of foreign operations that were recognised directly in equity in the preceding year corresponding period are presented as components in other comprehensive income in the statement of comprehensive income. The total comprehensive income for preceding year corresponding period is presented separately and allocation is made to show the amount attributable to owners of the parent and to non-controlling interest. The effects on the comparatives to the Group on adoption of FRS 101 (revised) are as follows:

The total comprehensive income for the period is presented as a one-line item in the statement of changes in equity.

FRS 139, Financial Instruments: Recognition and Measurement

Prior to the adoption of FRS 139, financial derivatives were recognised on their settlement dates. Outstanding derivatives at the balance sheet date were not recognised. With the adoption of FRS 139, all financial assets and financial liabilities, including derivatives, are recognised at contract dates when, and only when, the Company or any subsidiary becomes a party to the contractual provisions of the instruments.

In accordance with FRS 139, the recognition, derecognition and measurement are applied prospectively from 1 January 2010. The effects of the remeasurement on 1 January 2010 of the financial assets and financial liabilities brought forward from the previous financial year are adjusted to the opening retained profits and other opening reserves as disclosed in the statement of changes in equity.

The adoption of FRS 139 does not have any significant financial impact on the Group.

Focus Dynamics Technologies Berhad ("Focus" or the "Company") (Company No: 582924-P) Interim Financial Reports for the 2nd quarter ended 31 January 2011

B. ADDITIONAL INFORMATION REQUIRED BY "BURSA SECURITIES"

B1. Review of Performance

For the three (3) months period ended 31 January 2011, the Group recorded a revenue of RM1.67 million, as compared to RM5.30 million for the corresponding period in the preceding year. The lower revenue was due to declining contribution from energy efficient application system segment.

Notwithstanding the improved gross profit margin from 18% to 24%, the Group posted a slightly higher loss before taxation of RM0.15 million for the current quarter as compared to loss before taxation of RM0.09 million in the preceding year's corresponding quarter. This is mainly due to financing cost.

For the cumulative 2 quarters ended 31 January 2011, the Group recorded a total revenue of RM3.24 million, as compared to RM8.48 million for the cumulative corresponding quarters in the preceding year.

The Group recorded a loss before taxation of RM0.30 million for the cumulative 2 quarters ended 31 January 2011 as compared to a loss before taxation of RM0.27 million for the cumulative corresponding quarters in the preceding year. The lower revenue and slightly higher loss before taxation are due to the same reason as above.

B2. Comparison of Current Quarter Results with the Preceding Quarter

	Second Quarter ended 31 January 2011 RM'000	First Quarter ended 31 October 2010 RM'000
Revenue	1,667	1,575
Loss before taxation	(154)	(144)

For the three months period ended 31 January 2011, the Group recorded a revenue of RM1.67 million, representing an increase of 5.85% compared to the 1st quarter ended 31 October 2010. The increase in revenue was primarily due to trading activities.

The Group posted a loss before taxation of RM0.15 million for the current quarter as compared to a loss before taxation of RM0.14 million in the preceding quarter, mainly due to an increased in finance costs.

B3. Prospects for the Financial Year ending 31 July 2011

The Board of Directors is of the view that the Group will continue to operate in competitive environment and the management is taken measure to ensure the group performance.
