Effective from 31 January 2017, the new Companies Act 2016 ("the Act") abolished the concept of authorised share capital and par value of share capital. Consequently, the credit balance of the share premium becomes part of the Company's share capital pursuant to the transitional provision set out in Section 618(2) of the Act. Notwithstanding this provision, the Company may within 24 months from the commencement of the Act, use this amount for purposes as set out in Section 618(3) of the Act. There is no impact on the numbers of ordinary shares in issue or the relative entitlement of any of the members as a result of this transition.

The unaudited Condensed Consolidated Statement of Changes in Equity should be read in conjunction with the audited financial statements for the financial year ended 31 December 2016 and the accompanying explanatory notes attached in this interim financial statements.
