SEGMENT PROFIT/(LOSS)				
Malaysia	273	(130)	(69)	79
Indonesia & others	5	-	-	5

278	(130)	(69)	84

12. Review of performance

During the quarter ended 31 December 2016, the Group recorded an unaudited revenue of RM3.76 million, as compared with RM4.82 million in the corresponding quarter of the preceding year. The operation expenses during the quarter amounted to RM1.53 million, as compared with RM1.10 million in the corresponding quarter of the proceding year. The Group recorded an after tax profit of RM0.001 million as compared to an after tax loss of RM0.17 million in the corresponding quarter of the preceding year.

The major revenue contributor to the Group remained as the Managed Customer Loyalty Services ("MCLS") segments. The business in Malaysia in this segment remained lacklustre, while the Indonesian business has continued to decline due to economy slowdown and changes in Government regulations. The revenue has taken into account the adjustments made in accordance with the Malaysian Financial Reporting Standards.

Contribution from the Distribution of Health and Beauty Products segment towards the Group's revenue recorded at RM0.25 million for the quarter under review compared to RM0.25 million in the preceding quarter, which able to sustain in business eventhough the overall consumer spending power is at the conservative side. It be noted that three (3) additional outlets be opened in Klang Valley during the quarter under review.

13. Material Changes in The Profit/ (Loss) Before Tax As Compared To the Immediate Preceding Quarter

The Group recorded a revenue of RM3.76 million in this quarter compared with a revenue of RM2.15 million in the preceding quarter, and an unaudited profit before tax of RM0.001 million, compared with loss before tax of RM0.39 million in the preceding quarter. The increase in revenue was duly contributed by MCLS both in Malaysia and Indonesia during the quarter under review.

14. Prospects

The Group is actively exploring the development of new products and services based on its existing platforms in both local and international markets. The Board is aware that the continuous cut back on corporate spending on loyalty marketing by the Group's clients and changes in customers' preference for loyaty products will continue to pose a major challenge to the Group. The Group is now focused in developing new products and services to broaden the revenue base.

For the Group's beauty care products business, the weakening of Ringgit Malaysia has extended pressure on the product margin. Despite the challenging environment, the Company is actively looking into expanding its distribution network as well as enlarging the product range. The Group is planning to widen its distribution network to East Malaysia, Norther Region as well as Southern Region of Peninsular Malaysia.

Besides the exisiting businesses, the Group is also actively looking into diversification into other industries.

The Group did not disclose or announce any profit forecast or profit guarantee in any public document in the financial quarter under review.
