#### 14. Prospects

The Group is actively exploring the development of new products and services based on its existing platforms in both local and international markets. The Board is aware that the continuous cut back on corporate spending on loyalty marketing by the Group's clients and changes in customers' preference for loyaty products will continue to pose a major challenge to the Group. The Group is now focused in developing new products and services to broaden the revenue base.

For the Group's beauty care products business, the weakening of Ringgit Malaysia has extended pressure on the product margin. Despite the challenging environment, the Company is actively looking into expanding its distribution network as well as enlarging the product range.

Besides the exisiting businesses, the Group is also actively looking into diversification into other industries, such as tourism, property development and construction industry.

The Group did not disclose or announce any profit forecast or profit guarantee in any public document in the financial quarter under review.
