Unaudited Interim Financial Report for the second quarter ended 30 June 2011

**NOTES TO THE INTERIM FINANCIAL REPORT**

**Explanatory Notes Pursuant to Financial Reporting Standard 134 Interim Financial Reporting**

**Basis of preparation**

The interim financial statements are unaudited and have been prepared in compliance with Financial Reporting Standard (FRS) 134 - Interim Financial Reporting and Appendix 9B of the ACE Market Listing Requirements of Bursa Malaysia Securities Berhad.

The interim financial statements should be read in conjunction with the audited financial statements for the financial year ended 31 December 2010. The explanatory notes attached to the interim financial statements provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the Group since the financial year ended 31 December 2010.

**Changes in Accounting Policies**

The significant accounting policies adopted are consistent with those of the audited financial statements for the financial year ended 31 December 2010 except for the adoption of the following accounting standards, amendments and interpretations that have been issued by the Malaysian Accounting Standards Board effective for the financial periods beginning 1 July 2010 and 1 January 2011:

FRS 3 (Revised)	Business Combinations
FRS 127 (Revised)	Consolidated and Separate Financial Statements
Amendments to FRS 2	Scope of FRS 2 and FRS 3 (Revised)
Amendments to FRS 2	Group Cash-settled Share-Based Payment Transactions
Amendments to FRS 7	Improving Disclosures about Financial Instruments
Amendments to FRS 138	Consequential Amendments Arising from FRS 3 (Revised)
Amendments to IC Interpretation 9	Scope of IC Interpretation 9 and FRS 3 (Revised)
Annual Improvements to FRSs (2010)	

As disclosed in the audited 2010 financial statements, the adoption of the above accounting standards, amendments and interpretations have no material impact on the financial statements of the Group except as follows:

- (i) FRS 3 (Revised) introduces significant changes to the accounting for business combinations, both at the acquisition date and post acquisition, and requires greater use of fair values. In addition, all transaction costs, other than share and debt issue costs, will be expensed as incurred. This revised standard will be applied prospectively.
- (ii) FRS 127 (Revised) requires accounting for changes in ownership interests by the group in a subsidiary, while maintaining control, to be recognised as an equity transaction. When the group loses control of a subsidiary, any interest retained in the former subsidiary will be measured at fair value with the gain or loss recognised in profit or loss. The revised standard also requires all losses attributable to the minority interest to be absorbed by the minority interest instead of by the parent. The Group will apply the major changes of FRS 127 (Revised) prospectively.

**Auditors' report on preceding annual financial statements**

The auditors' report on the Company's audited consolidated financial statements for the financial year ended 31 December 2010 was not subject to any qualification but was modified to include an emphasis of matter on going concern. Extract of the auditors' report for the financial year ended 31 December 2010 is as follows:

*Emphasis of Matter*

Without qualifying our opinion, we draw attention to Note 3(b) to the financial statements which disclosed the premise upon which the Company has prepared its financial statements by applying the going concern assumption, notwithstanding that the Group incurred a net loss of RM9,660,935 during the financial year ended 31 December 2010, and as of that date, the Group is in a capital deficiency position of RM1,802,920, thereby indicating the existence of material uncertainty which may cast significant doubt about the Group's ability to continue as a going concern.

On 28 February 2011 and subsequently amended on 1 March 2011, the Company announced that it became an Affected Listed Company pursuant to Guidance Note No. 3 of the Listing Requirements of Bursa Malaysia Securities Berhad for the ACE Market.

**Explanatory Notes Pursuant to Appendix 9B of the ACE Market Listing Requirements of Bursa Malaysia Securities Berhad**

**Review of the performance**

The Group recorded revenue of RM1.545 million for the second quarter of 2011 compared to RM0.831 million for the same quarter last year and a loss after taxation of RM257,000 compared to a loss of RM1,264,000, respectively. Despite achieving higher revenue in this current quarter compared to the same quarter last year, the Group still incurred a loss and this was mainly due to lower gross profit margins achieved which were insufficient to absorb operating overheads. Operating overheads, however, have decreased as follows:

- (a) reduction in staff costs of RM169,000;
- (b) reduction in amortisation and depreciation charges of RM447,000; and
- (c) reduction in general and other operating expenses of RM151,000

**Material changes in the quarterly results compared to the results of the immediate preceding quarter**

The Group posted revenue and loss before tax of RM1.545 million and RM257,000, respectively, for the current quarter ended 30 June 2011 compared to revenue and profit before tax of RM1.687 million and RM13,000 respectively for the quarter ended 31 March 2011. Losses were incurred in the current quarter ended 30 June 2011 and these were mainly due to lower gross profit margins achieved in the current quarter while operating overheads remained relatively the same in the two quarters.

**Business prospects**

The Board expects the remaining quarters of financial year 2011 to be challenging for the Group because of the possible impact on consumer demands arising out of the current global financial uncertainties.

**Statement of revenue or profit estimate, forecast, projection or internal targets previously announced or disclosed in a public document**

There were no estimates, forecasts, projections or internal targets previously disclosed in a public document.

**Variance of actual profit from forecast profit**
