Notes to the Condensed Consolidated Interim Financial Statements

1. Basis of preparation

The interim financial report is unaudited and has been prepared in accordance with Malaysian Financial Reporting Standards ("MFRSs"), International Financial Reporting Standards ("IFRSs") and the requirements of the Companies Act 2016 in Malaysia.

The interim financial statements should be read in conjunction with the audited financial statements of the Group for the financial year ended 31 December 2020. These explanatory notes provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the Group since the financial year ended 31 December 2020.

2. Significant accounting policies

The significant accounting policies adopted in preparing these condensed consolidated financial statements are consistent with those in the audited financial statements for the financial year ended 31 December 2020.

Adoption of new standards/amendments/improvements to MFRSs

The accounting policies adopted by the Group and the Company are consistent with those of the prior financial year except for the new and revised MFRSs approved by Malaysian Accounting Standards Board and applicable for the current financial year.

At the beginning of current first quarter, the Group and the Company adopted new standards/amendments/improvements to MFRSs which are mandatory for the financial periods beginning on or after 1 June 2020.

The initial application of the new amendments to the standards did not have any material impacts to the financial statements of the Group and of the Company.

Notes to the Condensed Consolidated Interim Financial Statements (Cont'd)

8. Dividends paid

No dividend has been paid during the current financial quarter.

9. Operation segments

The Group has three reportable segments, as described below, which are the Group's strategic business units. The strategic business units offer different products and services, and are managed separately because they require different technology and managing management strategy. For each of the strategic business units, the Group's Managing Director reviews internal management reports on at least a quarterly basis. The following summary describes the operation in each Group's reportable segments.

• Plantation Inputs Development, manufacturing and marketing of agricultural products

and services based on agro-technology.

• Rubber Estate Rubber planting, estate management and production of rubber cup

lumps for sale to rubber processing factories.

• Household Goods Manufacturing and marketing of plastic-related products.

There are varying levels of integration between reportable segments, namely the plantation inputs, rubber estate and household goods. This integration includes marketing activities and transfer of raw materials.

Performance is measured on segment revenue that is reviewed by the Group's Managing Director who is the Group's chief operating decision maker. Segment revenue is used to measure performance as management believes that such information is the most relevant in evaluating the results of the segments.
