Notes To The Interim Financial Report For the Financial Period ended September 30, 2019

A Explanatory Notes Pursuant To Malaysian Financial Reporting Standard ("MFRS") 134

A1. Basis of Preparation

The interim financial statements are unaudited and have been prepared in accordance with the MFRS 134 Interim Financial Reporting and Paragraph 9.22 and Appendix 9B of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad ("Bursa Securities").

The interim financial statements should be read in conjunction with the audited financial statements of My E.G. Services Bhd and its subsidiaries ("the Group") for the financial period ended 30 September 2018.

As announced to Bursa Malaysia on 13 June 2018 and 27 September 2019, the Company has changed its financial year end from 30 June to 30 September, and subsequently, from 30 September to 31 December. Consequently, the comparative figures are not comparable for the condensed consolidated statement of profit or loss and other comprehensive income, condensed consolidation statement of changes in equity, condensed consolidated statement of cash flows and the related notes.

The same accounting policies and methods of computation adopted in these interim financial statements are consistent with the annual financial statements for the financial period ended 30 September 2018.

During the current financial period, the Group has adopted the following new accounting standards and/or interpretations (including the consequential amendments, if any):-

MFRSs and/or IC Interpretations (Including The Consequential Amendments)

MFRS 9 Financial Instruments (IFRS 9 as issued by IASB in July 2014)

MFRS 15 Revenue from Contracts with Customers

IC Interpretation 22 Foreign Currency Transactions and Advance Consideration

Amendments to MFRS 2: Classification and Measurement of Share-based Payment Transactions

Amendments to MFRS 4: Applying MFRS 9 Financial Instruments with MFRS 4 Insurance Contracts

Amendments to MFRS 15: Effective Date of MFRS 15

Amendments to MFRS 15: Clarifications to MFRS 15 'Revenue from Contracts with Customers'

Amendments to MFRS 140 - Transfers of Investment Property

Annual Improvements to MFRS Standards 2014 - 2016 Cycles:

- Amendments to MFRS 1: Deletion of Short-term Exemptions for First-time Adopters
- Amendments to MFRS 128: Measuring an Associate or Joint Venture at Fair Value

The adoption of the above accounting standards and/or interpretations (including the consequential amendments, if any) did not have any material impact on the Group's financial statements.

A1. Basis of Preparation (Cont'd)

The Group has not applied in advance the following accounting standards and/or interpretations (including the consequential amendments, if any) that have been issued by the Malaysian Accounting Standards Board ("MASB") but are not yet effective for the current financial period:-

MFRSs and/or IC Interpretations (Including The Consequential	
Amendments)	Effective Date
MFRS 16 Leases	1 January 2019
MFRS 17 Insurance Contracts	1 January 2021
IC Interpretation 23 Uncertainty Over Income Tax Treatments	1 January 2019
Amendments to MFRS 9: Prepayment Features with Negative Compensation	1 January 2019
Amendments to MFRS 10 and MFRS 128: Sale or Contribution of Assets between an Investor and its Associate or Joint Venture	Deferred
Amendments to MFRS 119: Plan Amendment, Curtailment or Settlement	1 January 2019
Amendments to MFRS 128: Long-term Interests in Associates and Joint Ventures	1 January 2019
Amendments to References to the Conceptual Framework in MFRS Standards	1 January 2020
Annual Improvements to MFRS Standards 2015 - 2017 Cycles	1 January 2019

The adoption of the above accounting standards and/or interpretations (including the consequential amendments, if any) is expected to have no material impact on the financial statements of the Group upon their initial application.

A2. Auditors' Report on Preceding Annual Financial Statements

The auditors' report on the financial statements for the financial period ended 30 September 2018 was not qualified.

A3. Seasonal and Cyclical Factors

The Group's business operation result was previously subjected to seasonality factors as the demand for new driving licences generally increases in the first half of the calendar year (i.e the Second and Third Financial Quarters) due mainly to the long school holidays after the Government exams, where most 16-20 year olds would obtain their driving licences between the months of January to June. Therefore, revenue related to the "Jabatan Pengangkutan Jalan Malaysia" ("JPJ") in the first half of the calendar year (January – June) has historically been approximately 50% higher than the JPJ-related revenue recorded for the second half of the calendar year (July – December). However, the seasonal impact of JPJ test taking revenue is diminishing since Financial Year ("FY") ended 30 June 2015 as revenue from other services increasingly contribute to a larger proportion of group revenue.

A4. Unusual Items Affecting Assets, Liabilities, Equity, Net Income or Cash Flow

B3. Prospect of the Group

For the financial year ending ("FYE") 31 December 2019, MYEG will continue to introduce innovative services leveraging on new technology to drive our growth for FYE2019.

We are also expanding our regional presence in Asia with the recent introduction of new joint ventures and services in the Republic of the Philippines, the People's Republic of Bangladesh and the Republic of Indonesia. We are bringing our technology and expertise to these countries and hope to introduce innovative services which will enhance the efficiency in these new markets and allow us to tap on the continuous growth of transactions where the population in these countries are becoming more tech savvy. MYEG's Board of Directors ("The Board") is cautiously optimistic that these are the new markets which potentially may contribute to our organic growth for FYE2019 onwards.

At the same time, the Board will work closely with the Government to continue rolling out new egovernment services whilst maintaining the service level of the current services which will continue to benefit the Malaysian public, consistent with the Government's objective.

In view of abolishment of the Goods and Services Tax ("GST") regime in September 2018, the Board wishes to clarify that necessary impairments were made, in FY2018, on the investments as well as capital expenditure incurred on the tax monitoring system which were supposed to be rolled out under the GST regime. However, the Board is confident that there will be opportunities available to the Company to roll out similar systems in other countries which we are present and to re-deploy the system built and assets purchased (which the value had been impaired) in these countries.

Barring any unforeseen circumstances, the Board are cautiously optimistic that the long-term outlook for MYEG continues to remain positive as we continuously introduce innovative services as well as embarking on a regional expansion.
