Part A - Explanatory Notes Pursuant to FRS 134

1. Basis of Preparation

The quarterly financial report ended 31 March 2012 is unaudited and has been prepared in accordance with Financial Reporting Standards ("FRS") 134 "Interim Financial Reporting" and Paragraph 9.22 of the Listing Requirements of Bursa Malaysia Securities Berhad ("Bursa Securities") for the Main Market.

The report should be read in conjunction with the audited financial statements of the Group for the year ended 31 December 2011. The explanatory notes attached to the quarterly financial report provide an explanation on events and transactions that are significant to an understanding of the changes in the financial position and performance of the Group since the financial year ended 31 December 2011.

The accounting policies and methods of computation adopted by the Group in the quarterly financial report are consistent with those adopted in the audited financial statements of the Group for the financial year ended 31 December 2011, except for in the current period ended 31 March 2012, the Group adopted the Malaysian Financial Reporting Standards Framework ("MFRS Framework") relevant to the Group as explained below:

Convergence of the FRS Framework in Malaysia with the IFRS Framework issued by the IASR

On 19 November 2011, Malaysian Accounting Standard Board ("MASB") issued a new MASB approved accounting framework, the MFRS Framework.

The MFRS Framework is to be applied by all Entities Other Than Private Entities for annual periods beginning on or after 1 January 2012, with the exception of entities that are within the scope of MFRS 141 Agriculture and IC Interpretation 15 Agreements for Construction of Real Estate (IC 15), including its parent, significant investor and venturer ("Transitioning Entities").

The Group and the Company will be required to prepare financial statements using the MFRS Framework in its first MFRS financial statements for the year ending 31 December 2012. In presenting its first MFRS financial statements, the Group and the Company will be required to restate the comparative financial statements to amounts reflecting the application of the MFRS Framework. The majority of the adjustments required on transition will be made, retrospectively, against opening undistributed income.

The adoption of the MFRSs does not have any significant impact on the interim financial statements of the Group and the Company.

15. Review Of Performance

During the current quarter under review, the Group has recorded a loss before tax of RM4.17 million on the back of revenue of RM2.72 million representing a decrease in losses as compared to the loss before tax of RM4.49 million in the comparative quarter of the preceding year. The decrease in losses is mainly due to the higher amortization charges recorded in the comparative quarter of the preceding year.

16. Material Change In the Loss Before Taxation Compared To The Immediate Preceding Quarter

		Preceding Qtr Ended 31/12/2011	ov Channes
	RM'000	RM'000	% Changes
Turnover	2,722	4,035	-32.5%
Loss Before Taxation ("LBT")	(4,169)	(18,792)	-77.8%

The Group recorded a revenue of RM2.72 million and LBT of RM4.17 million in the current quarter as compared to a revenue of RM4.04 million and LBT of RM18.79 million in the immediate preceding quarter. This represents a decrease in revenue of approximately 32.5% and a decrease in LBT of 77.8% respectively as compared to preceding quarter. The decrease in LBT is mainly due to the impaiment being made to the intangible assets and the written off of goodwill recorded in the immediate preceding quarter.

17. Commentary Of Prospects

The semiconductor industry moving into the year of 2012, is expected to growth marginally at approximately 4% to 6%. This single digit growth is taken into account the increase in investment by major international players from various geographical locations to maintain the sales momentum and at the same time creating higher demand through innovating products.

The lower growth rate was evidenced by the quarterly worldwide sales of semiconductor figures published by Semiconductor Industry Association that a decline of 7.9% of the first quarter 2012 sales as compared to the last year same period.

Despite the lower growth rate predicted, the Company is set all out to promote its new innovative products through aggressive marketing campaigns, participating in world class road shows and providing close technical support to customers in promoting our technology.
