### A NOTES TO THE INTERIM FINANCIAL STATEMENTS (Cont'd)

### A2 Significant accounting policies (cont'd)

FRSs and IC Interpretations (including the Consequential Amendments)	Effective date
(Cont'd)	
FRS 124 (Revised) Related Party Disclosures	1 January 2012
IC Interpretation 15 Agreements for the Construction of Real Estate	1 January 2012

The above accounting standards and interpretations (including the consequential amendments) are not relevant to the Group's operations except as follows:-

- (i) FRS 3 (Revised) introduces significant changes to the accounting for business combinations, both at the acquisition date and post acquisition, and requires greater use of fair values. In addition, all transaction costs, other than share and debt issue costs, will be expensed as incurred. This revised standard will be applied prospectively and therefore there will not have any financial impact on the financial statements of the Group for the current financial year but may impact the accounting for future transactions or arrangements.
- (ii) FRS 127 (Revised) requires accounting for changes in ownership interests by the group in a subsidiary, while maintaining control, to be recognised as an equity transaction. When the group loses control of a subsidiary, any interest retained in the former subsidiary will be measured at fair value with the gain or loss recognised in profit or loss. The revised standard also requires all losses attributable to the minority interest to be absorbed by the minority interest instead of by the parent. The Group will apply the major changes of FRS 127 (Revised) prospectively and therefore there will be no financial impact on the financial statements of the Group for the current financial year but may impact the accounting of its future transactions or arrangements.
