PART A - EXPLANATORY NOTES PURSUANT TO MALAYSIAN FINANCIAL REPORTING STANDARD 134 (" MFRS 134") : INTERIM FINANCIAL REPORTING

A1 Basis of Preparation

The unaudited interim financial statements have been prepared in accordance with MFRS 134: Interim Financial Reporting issued by Malaysian Accounting Standards Board ("MASB") and Rule 9.22 of the ACE Market Listing Requirements of Bursa Malaysia Securities Berhad ("Bursa Securities").

The unaudited interim financial statements should be read in conjunction with the audited financial statements of the Group for the year ended 30 June 2014. These explanatory notes attached to the interim financial statements provide an explanation of events and transactions that are significant for an understanding of the changes in the financial position and performance of the Group since the financial year ended 30 June 2014.

The significant accounting policies and methods of computation adopted are consistent with those of the audited financial statements for the year ended 30 June 2014.

A2 Adoption of New and Revised Accounting Policies

The Group has not applied in advance the following accounting standards and interpretations (including the consequential amendments, if any) that have been issued by Malaysian Accounting Standards Board (MASB) but are not yet effective for the current financial period:

MFRS and IC Interpretations (Including The Consequential Amendments)		Effective Date
MEDO 0 (0000)	Figure stall be stored and	1 January 2010
MFRS 9 (2009)	Financial Instruments	1 January 2018
MFRS 9 (2010)	Financial Instruments	1 January 2018
MFRS 9	Financial Instruments (Hedge Accounting and	1 January 2018
	Amendments to MFRS 7, MFRS 9 and MFRS 139)	
Amendments to	Mandatory Effective Date of MFRS 9 and Transition	1 January 2018
MFRS 9 & MFRS 7	Disclosures	
MFRS 14	Regulatory Deferral Accounts	1 January 2016

Amendments to	Agriculture - Bearer Plants	1 January 2016
MFRS 116 & MFRS 141		

The above accounting standards and interpretations (including the consequential amendments, if any) are not relevant to the Group's operations except as follows:-

MFRS 9 (2009 introduces new requirements for the classification and measurement of financial assets. Subsequently, this MFRS 9 was amended in year 2010 to include requirements for the classification and measurement of financial liabilities and for derecognition (known as MFRS 9 (2010)). Generally, MFRS 9 replaces the parts of MFRS 139 that relates to the classification and measurement of financial instruments.

MFRS 9 divides all financial assets into 2 categories - those measured at amortised cost and those measured at fair value, based on the entity's business model for managing its financial assets and the contractual cash flow characteristics of the instruments. For financial liabilities, the standard retains most of the MFRS 139 requirements.

(Company No. 747681-H) (Incorporated in Malaysia)

NOTES TO THE INTERIM FINANCIAL REPORT FOR THE PERIOD ENDED 31 MARCH 2015

An entity choosing to measure a financial liability at fair value will present the portion of the change in its fair value due to changes in the entity's own credit risk in other comprehensive income rather than within profit or loss. There will be no material financial impact on the financial statements of the Group upon its initial application.

The amendments to MFRS 10, MFRS 12 and MFRS 127 (2011) require investment entities to measure particular subsidiaries at fair value through profit or loss instead of consolidating them. The Company is an investment entity whose business purpose is to invest funds solely for returns from capital appreciation, investment income or both.

Accordingly, the Group will deconsolidate its subsidiaries upon the initial application of these amendments and to fair value the investments in accordance with MFRS 139. There will be no material financial impact on the financial statements of the Group upon its initial application

The amendments to MFRS 132 provide the application guidance for criteria to offset financial assets and financial liabilities. There will be no material financial impact on the financial statements of the Group upon its initial application.

The Company - Complaint for Patent Infringement, Jury Trial Demanded

Plaintiff: Johnstech International Corp. ("JTI")

Defendants: JF Technology Berhad, JF Microtechnology Sdn Bhd and J Foong Technologies Sdn Bhd (hereinafter collectively referred to as " The Company" or " the "Defendants")

On 20 June 2014, an action for patent infringement ("Complaint") was filed against JF Technology Berhad, JF Microtechnology Sdn Bhd and J Foong Technologies Sdn Bhd. (collectively referred as "the Group") by Johnstech International Corp. ("JTI") in the United States District Court for the Northern District of California, Case No.: 3:14-cv-02864. In this action, JTI asserts claims of infringement of United States Patent No. 7,059,866 ("the 866 Patent"), entitled "Integrated Circuit Test Contact to Test Apparatus," in connection with test contact products sold under the brand name ZIGMA (collectively referred as "Complaint")

On 5 August 2014, the Group had officially accepted the suit following the appointment of a local Intellectual Property ("IP") consultant and lawyers in United States, namely Advanz Fidelis Sdn. Bhd. and Nixon Peabody LLP respectively.

The amount of claim was not indicated in Complaint. In view thereof, the Group could not ascertain the maximum exposure to liabilities in relation to the Complaint.

(Company No. 747681-H) (Incorporated in Malaysia)

B DISCLOSURE REQUIREMENTS AS SET OUT IN APPENDIX 9B OF BURSA MALAYSIA SECURITIES BERHAD ACE MARKET LISTING REQUIREMENTS

As United States patent laws do not apply outside the United States, the manufacture, use, sale, and offering for sale of the ZIGMA products outside the United States are not affected by this case. In addition, JTI has not to date taken the necessary steps to pursue any judicial or customs restrictions on the Group activities in the United States, there is no current credible threat that this case will disrupt the Group's activities inside the United States. The litigation process, including appeals, is expected to last approximately two to three years or more before the final outcome is known

The Group has through its US lawyers filed the motion to dismiss and related papers in the court. The hearing on the motion was on 12 November 2014.

The Court now had dismissed the Complaint against JF Technology Berhad and J Foong Technologies Sdn Bhd for lack of jurisdiction and also dismissed JTl's claim for inducement of infringement due to insufficiency of the allegations regarding the specific intent required for inducement.

The Complaint will proceed only against JF Microtechnology Sdn Bhd.

Both parties had therefore filed their respective amended complaints again. The discovery process is still ongoing and pending from the court for further direction.

The Board will take the appropriate action to defend the case and to protect the interests of the Group.
