# Quarter Ended 31 March 2018 compared to Quarter Ended 31 March 2017

The Group's revenue for the current quarter ended 31 March 2018 decreased by 3.3% to RM14.07 million compared to RM14.55 million in the preceding corresponding quarter ended 31 March 2017. The decrease was mainly due to reasons as explained below.

During the current quarter ended 31 March 2018, Animal Health Product Division recorded revenue of RM7.47 million as compared to RM6.83 million in the preceding year quarter ended 31 March 2017. The increase of approximately 9.4% was due to increase order for amino acid from customers.

During the current quarter ended 31 March 2018, Foodservice Equipment Division recorded revenue of RM6.49 million as compared to RM7.46 million in the preceding year quarter ended 31 March 2017. The decrease of approximately 13% was due to lower demand for foodservice equipment during the current quarter.

During the current quarter ended 31 March 2018, Food Manufacturing Division recorded revenue of RM0.12 million as compared to RM0.25 million in the preceding year quarter ended 31 March 2017. The decrease of approximately 52% was due to the decrease in demands from chain restaurants during current quarter under review.

### **QUARTERLY REPORT FOR THE FIRST QUARTER ENDED 31 MARCH 2018**

# B2. Material changes in the profit before taxation for the current quarter as compared to the immediate preceding quarter (cont'd)

For current quarter ended 31 March 2018, the Group achieved a profit before tax of approximately RM1.17 million as compared to RM3.71 million in the immediate preceding quarter ended 31 December 2017. The decrease in profit before taxation approximately by 68.5% compared to the immediate preceding quarter was mainly due to the decrease in revenue and provision of staff expenses in Administrative expenses during the current quarter.

#### **B3.** Prospects

In view of the volatility of Ringgit Malaysia against foreign currencies, the Group expects its operating environment to be more challenging in both the current and coming financial years. The market will continue to remain competitive.

Despite a challenging environment, the Board is of the opinion that the Group will be able to maintain its market position by implementing prudent measures and improving operational efficiency to safeguard the Group's profitability. By focusing on product and service quality, the Group is optimistic that it will achieve satisfactory results in the coming quarter.

The Board of Directors would exercise extra caution in conducting their duties during these periods and are optimistic of the Group's long term prospect.

#### **B4.** Profit forecast

No profit forecast has been issued by the Group previously in any public document.

# Commentaries for the recoverability of trade receivables which exceed the average credit terms granted:

All trade receivables which exceeded the average credit terms are closely monitored by the credit control committee.

#### **B9.** Fair value information

The carrying amounts of cash and cash equivalents, short term receivables and payables and short term borrowings reasonably approximate their fair values due to the relatively short term nature of these financial instruments. Fair value of quoted equity instrument is determined directly by reference to their published market bid price at the reporting date.
