The Group experienced a dip in revenue attributed to subdued consumer sentiment with cautious and discretionary spending during the reporting period. As a result, Group revenue for the reporting quarter Q4'23 recorded at RM66.45 million, 3% lower than the previous corresponding quarter Q4'22 of RM68.63 million.

Year-on-year, total revenue declined by 7% from RM294.29 million to RM273.67 million, primarily driven by the intense competition in the market. Notably, the mobile device bundling service featuring extra low commitment deals, coupled with the provision of broadband connectivity plans and enterprise sales are the key drivers for user churn.

Supported by the better share performance of the Group's other investments as of 30 September 2023, the Group recorded a positive fair value adjustments and share of results of investments companies of RM26.30 million. As a result, the Group registered a PBT & EBITDA of RM28.42 million and RM35.22 million respectively compared to LBT & LBITDA of RM17.30 million and RM12.82 million reported in the previous corresponding quarter Q4'22. And YTD LBT & LBITDA stood at RM67.04 million & RM42.24 million respectively.

The Group revenue grew by 2% quarter-on-quarter to RM66.45 million on the back of the Group adopted a strategic approach towards expanding its market reach under soften market sentiment through the introduction of government endorsed-MySISWA mobile plan, along with One Family plan. The Company had further undertaken the aggressive deployment of on-ground promotion initiatives at strategic locations nationwide during the quarter Q4'23.

After accounting for the positive fair value adjustments and share of results of investments companies of RM26.30 million, the Group reported PBT of RM28.42 million and EBITDA of RM35.25 million accordingly.

3. Prospects and business outlook

The telecommunications and technology industries have so far been resilient to the effects of the pandemic. However, the cost of digital transformation and the macro headwinds from weaker economic growth and higher inflation will have an impact in the ensuing period.

Premised on the challenges and outlook of the telecommunications and technology industry with the accelerating macroeconomic trends such as technology proliferation and digitalisation, uncertainty associated with lower economic growth and higher inflation, the Board is optimistic, albeit cautiously, about the future prospects of the Group.

The Group will continue to invest in new technology, hire the best talent, develop strategic partnerships, deliver innovative products and services to serve our customers, and focus on curating an engaging and seamless digital journey to increase customer acquisition and retention rates.

4. Profit forecast or profit guarantee

The Board of Directors wishes to inform that the XOX Group did not issue any profit forecast.

The effective tax rate of the Group for the current quarter and financial year to-date lower than the statutory income tax rate mainly due to utilisation of tax losses and unabsorbed capital allowances.

8. Gain or loss on disposal of quoted and/or unquoted investments and/or properties

There were no other material disposal of quoted, unquoted and/or properties for the current quarter and financial year to date under review except for the following:-

(a) On 18 August 2023, XOX Hong Kong Limited had disposed of 18,000,000 ordinary shares in Komarkcorp Bhd for a cash consideration of approximately RM720,000 with a loss of RM700,498.

9. Corporate proposals and utilisation of proceeds

Save as disclosed below, there were no other corporate proposals which had been announced by the Company and are pending for completion except:-

(a) On 24 May 2022, XOX Bhd ("XOX" or "the Company" or "the Group") has entered into a Memorandum of Understanding ("MOU") with Majlis Bandaraya Ipoh ("MBI") for the purpose to solidify the parameters and lay the foundation for formalisation of the strategic technology partnership to collectively enhance the current infrastructure and services provided by MBI to the residents of Ipoh, by virtue of digitalisation, augmented reality application, cashless applications and automation. To date, both parties are working on finalising the strategic technology partnership arrangement.

On 31 May 2023, the Company has further announced that XOX and MBI had agreed to extend the MOU for another 12 months to finalise the strategic technology partnership arrangement.
