A2. Auditors' Report

The auditor, Messrs. BDO had expressed an adverse opinion in the audited financial statements for the financial period from 1 January 2017 to 30 June 2018 on the basis that the Group had deconsolidated the financial statements of a wholly-owned subsidiary, IDB Interactive Sdn. Bhd. ("IDB") for the financial period from 1 January 2017 to 30 June 2018 could not be finalized due to on-going material litigations and the inability of the Group to access the records and information of IDB.

Messrs. BDO is of the opinion that the deconsolidation of the subsidiary is not in accordance with the accounting policies of the Group as well as Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia.

The Board of Directors ("BOD") had on 29 October 2018 and 30 October 2018 further announced that the adverse opinion from the auditor is mainly due to their disagreement with the decision of BOD to treat it's subsidiary, IDB purely as an investment (as opposed to a subsidiary to be consolidated) which is in accordance to the law and financial reporting standards.

The key reasons for this decision emanates from the Group's inability to obtain access to IDB's accounting and other records in order to verify the accuracy of the financial information of IDB for the financial period to present a true and fair view of the Group's financial position and affairs and to facilitate Company's regulatory filing obligations with the relevant bodies including Bursa Malaysia.
