#### Notes:

- (1) The basis of preparation of the Unaudited Consolidated Statements of Profit or Loss and Other Comprehensive Income are disclosed in Note A1 and should be read in conjunction with the Annual Financial Report for the year ended 31 August 2021 and the accompanying explanatory notes attached to this interim financial report.
- (2) The basic loss per share is computed based on profit after taxation attributable to the owners of the Company and divided by the weighted average number of ordinary shares in issue as at 30 November 2020. The diluted loss per share is equivalent to the basic loss per share as the Company does not have any convertible securities outstanding.

The Group recorded a revenue of RM41.64 million for the current quarter ended 30 November 2021, an increase of 29.7% as compared to a revenue of RM32.11 million for the corresponding quarter in the last financial year. However, the Group recorded a loss after tax of RM5.41 million against a profit after tax of RM0.06 million for the same quarter in the last financial year.

For the current quarter, the Group recorded a gross loss of RM2.88 million due to the revision of the budgeted costs of 4 of the projects which had been extended resulting from the shutdowns last financial year and also on the ongoing high prices of raw material especially steel bar, these projects have been revised into loss making projects. The revision of the budgeted costs included both ECRL projects for which the completion had been extended until March 2022. Another 2 of the projects which were completed during the current quarter were also incurring losses upon finalisation of the subcontractor and backcharges of material costs from the main contractor.

The Group also recorded other income of RM0.56 million for the current quarter which was mainly contributed by the disposal of 3 obsolete machineries in our Indonesia subsidiary, PT Aneka Jaringan Indonesia, for a gain of RM0.22 million, and the balance from interest income and the rental of premises. In terms of administrative expenses, the Group had incurred RM2.06 million for the current quarter.

Finance costs of RM0.94 million were incurred for the current quarter mainly for hire purchase loans and trade facilities. In terms of taxation, the Group reported tax expenses of RM0.09 million for the quarter which is from the Indonesian subsdiary which recorded a profit after tax of RM0.44 million.

## B2. Comparison with Immediate Preceding Quarter Results (Cont'd)

The Group recorded an increase of RM13.76 million in revenue for the current quarter as compared to last quarter. This is mainly due to resumption of work at all sites as compared to partial shutdown for last quarter. The Group's gross loss for the current quarter is reduced by RM8.27 million as compared to last quarter, this is mainly due to the write down of revenue in last quarter which arise from the revision of budgeted costs and over recognition in earlier quarters.

Loss after tax for the current quarter is reduced by RM18.86 million mainly from reduction in gross loss mentioned above and provision for defect liability claims and the differences which arise from the finalisation of 8 projects in the last quarter.

#### **B3.** Prospects

The Group remains cautiously optimistic on the outlook of the construction sector in view that the Government of Malaysia is not planning to impose anymore lockdowns moving forward. This would mean that the Group's operations will not be adversely affected by lockdowns. The Group is also optimistic on new job prospects on some of the on-going infrastructure and private sector property development projects, as well as the recent announcement by the Government of Indonesia confirming to proceed with the construction of the new capital city in Kalimantan which will see a continuous improvement in terms of number of projects.
