IFRIC Agenda Decision on MFRS 123 Borrowing Costs

On 18 December 2018, the Malaysian Accounting Standards Board ("MASB") has issued for public comment six Tentative Agenda Decisions ("TAD") published by the IFRS Interpretations Committee, including the TAD on International Accounting Standards 23 Borrowing Costs ("IAS 23") relating to over time transfer of constructed good.

The MASB observed that non-private entitles in the real estate industry might need to change their accounting policy as a result of the Agenda Decision on IAS 23. In ensuring consistent application of the MFRSs, which are word-for-word the IFRS Standards, the MASB has decided that an entity shall apply the change in accounting policy as a result of the Agenda Decision on IAS 23 to financial statements of annual periods beginning on or after 1 July 2020.

Effective 1 April 2021, the Group has retrospectively applied the Agenda Decision and comparative figures have been restated as a result of transition requirement under Agenda Decision. The effect arising from the adoption of the Agenda Decision on the financial statements is as follows:
