NOTES

1. Basis of preparation

The interim financial report is unaudited and has been prepared in accordance with Malaysian Financial Reporting Standard (“MFRS”) 134: Interim Financial Reporting and paragraph 9.22 of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad.

The interim financial report should be read in conjunction with the audited financial statements of the Group for the financial year ended 30 June 2020. The explanatory notes attached to the interim financial report provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the Group since the financial year ended 30 June 2020.

The accounting policies and presentation adopted for this Unaudited Condensed Consolidated Interim Financial Information are mainly consistent with those of the Group's audited financial statements for the financial year ended 30 June 2020, except for the following:

Effective for financial periods beginning on or after 1 January 2020:

Amendment to MFRS 3	Definition of a Business
Amendment to MFRS 9, MFRS 139 and MFRS 7	Interest Rates Benchmark Reform
Amendment to MFRS 101 and 108	Definition of Material

The adoption of the above do not have any significant impact to the Group.

2. Qualification of audit report of the preceding annual financial statements

The audit report for the preceding annual financial statements was not subject to any qualification.

3. Seasonality or cyclicity of interim operations

The Group's interim operations were not materially affected by any seasonal or cyclical factors for the current quarter under review.

4. Nature and amount of items affecting assets, liabilities, equity, net income or cash flows that are unusual because of their nature, size or incidence

There were no unusual items affecting assets, liabilities, equity, net income or cash flows during the current financial period ended 31 December 2020.

5. Changes in estimates of amounts reported in prior interim periods of the current financial year or in prior financial years

There were no changes in estimates of amounts reported in prior financial years that have had a material effect in the current financial period.

QUARTERLY REPORT ON CONSOLIDATED RESULTS FOR THE SECOND QUARTER ENDED 31
DECEMBER 2020

The figures have not been audited

6. Issues, repurchases and repayments of debt and equity securities

During the current quarter under review, there were no additional shares purchased by the trust set up for the Executive Share Scheme (“ESS Trust”). As at reporting date, a total of 30,578,100 shares of GuocoLand (Malaysia) Berhad (“GLM”) were held by the ESS Trust.

As at the financial period ended 31 December 2020, the balance options over GLM shares granted to eligible executives of the Company pursuant to the Company's Value Creation Incentive Plan is 18,000,000. The options granted are subject to the achievement of certain performance criteria by the option holders over two performance periods concluding at the end of the financial year ended 30 June 2020 and financial year ending 30 June 2021 respectively. The achievement of the performance targets and the numbers of shares (if any) to be vested shall be determined by the Board of Directors. There were no share options granted or vested during the current quarter.

Save as detailed above, there were no other issues, repurchases and repayments of debts and equity securities during the current financial period.

7. Dividend paid

No dividend was paid during the financial period ended 31 December 2020.

8. Segmental reporting

9. Valuations of property, plant and equipment and investment properties

The valuations of property, plant and equipment and investment properties were brought forward without any amendments from the previous annual financial statements.

10. Material subsequent events not reflected in the financial statements

- (a) On 13 August 2020, GLM Emerald Industrial Park (Jasin) Sdn Bhd ("GLM EIPJ"), a 68%-owned indirect subsidiary of GLM, had entered into a conditional sale and purchase agreement with Scientex Heights Sdn Bhd ("SHSB") and IOI Corporation Berhad, for the proposed disposal by GLM EIPJ to SHSB of two parcels of land located in Mukim and District of Jasin, State of Melaka for a cash consideration of RM260,174,594.

The disposal was completed on 11 January 2021. The revenue and gain from the disposal will be recognised in the third quarter of the financial year ending 2021 ("FY2021").

- (b) On 12 October 2020, GLM Real Estate Holdings Sdn Bhd ("GLMREH"), a wholly-owned subsidiary of GLM, received from the Inland Revenue Board of Malaysia ("IRB") a notice of assessment for the year of assessment 2016 ("Notice") of RM82,589,751.74 comprising income tax of RM56,259,819.84 and penalty of RM26,329,931.90.

The income tax and penalty were imposed by the IRB pursuant to its view that the gains made by GLMREH from the disposal of its wholly-owned subsidiary (being shares in a real property company) ("Disposal") are chargeable under the Income Tax Act 1967 instead of the Real Property Gains Tax Act, 1976 ("RPGTA"). As GLMREH had previously paid real property gains tax totalling RM12,376,600, the potential net tax impact to the Company is RM70,213,151.74.

GLMREH had submitted the notice of appeal to IRB on 26 October 2020. GLMREH is in the process of finalising a settlement agreement with IRB and had made a provision amounted to RM24,418,600 in relation to the tax assessment in the current quarter.

11. Changes in the composition of the Group

There were no changes in the composition of the Group during the quarter under review, including business combinations, acquisition or disposal of subsidiaries and long-term investments, and restructuring other than as mentioned below:

- BLV Fashions Sdn Bhd, an indirect wholly-owned subsidiary of GLM, was dissolved by member's voluntary liquidation on 17 October 2020.
- Positive Vision Labuan Limited, a wholly-owned subsidiary of GLM, was dissolved by member's voluntary liquidation on 4 January 2021.

12. Review of performance

- (a) Performance of the current quarter against the immediate preceding year corresponding quarter.

The Group recorded revenue of RM91.3 million for the current quarter under review as compared to RM90.1 million in the immediate preceding year corresponding quarter.

The Group recorded profit before tax of RM5.9 million as compared to a loss of RM14.1 million in the immediate preceding year corresponding quarter.

The Group incurred a lower selling and marketing expenses for the current quarter by RM4.1 million as compared to the immediate preceding year corresponding quarter mainly due to lesser sales and marketing activities on its on-going projects as a result of Movement Control Order ("MCO") implemented by the Malaysian Government. The administrative expenses reduced by RM2.4 million as compared to the immediate preceding year corresponding quarter mainly due to lower staff expenses and lower maintenance charges expenses in the current quarter. The finance costs incurred by the Group is lower as compared to the immediate preceding year corresponding quarter. This is mainly due to the reduction in Group borrowing as well as the reduction in interest rate by Bank Negara Malaysia.

The Group has also made an additional provision amounted to RM14.0 million in relation to the tax investigation by IRB. The Group is in the process of finalising a settlement agreement with IRB.

- (b) Performance of the current financial period against the preceding year corresponding financial period.

The Group recorded revenue of RM182.2 million for the current financial period as compared to RM138.5 million in the preceding year corresponding financial period mainly due to the increases in sales and recognition of percentage of completion from on-going projects. This has resulted in profit before tax of RM11.2 million compared to loss before tax of RM23.3 million of the preceding year corresponding financial period.

The Group incurred a lower expenses on selling and marketing for the current financial period by RM5.7 million due to lesser sales and marketing activities from on-going projects as a result of MCO implemented by the Malaysian Government. The Group also marked a higher result on other net operating income in the current financial period by RM2.0 million, which is mainly derived from the forfeiture of deposits from customers.

The Group incurred lower finance cost by RM7.3 million as compared to preceding year corresponding financial period mainly due to repayment of loan in the current financial period and reduction in interest rate by the Bank Negara Malaysia. The increase in share of profit from associates and joint ventures was mainly due to the contribution from its on-going projects.

The Group has also made an additional provision for tax amounted to RM14.0 million in this financial period. To date, the Group has provided a total of RM36,442,700 in relation to the tax investigation by IRB. The Group is in the process of finalising a settlement agreement with IRB.

13. Material change in profit before tax for the current quarter compared with the immediate preceding quarter

The Group's profit before tax in the current quarter of RM5.1 million did not have any material changes as compared to the immediate preceding quarter of profit before tax of RM5.2 million. However, the Group has provided additional tax of RM14.0 million arising from the tax investigation by IRB.

14. Prospects

The Covid-19 pandemic continues to have a profound impact across the global business activities and the Malaysian economy. The unprecedented situation has caused the market to be challenging. With the weak consumer sentiments, the market is expected to remain lacklustre in FY2021. Moving forward, the Group will continue to focus on monetising its inventories and timely completion of its development projects. New product launches will be phased according to prevailing market sentiments.
