B1. Review of Performance

For the quarter ended 30 September 2013, the Group achieved a profit before tax of RM16.38 million on a revenue of RM99.60 million.

The main contributors to revenue and profit are:

- 6 Ceylon (33-storey urban rejuvenation development comprising 215 high-end apartments in KL);
- Arata (100-units of high end condominiums in Bukit Tunku);
- Tijani Ukay (109 units of zero-lot bungalows and 9 units of bungalows in Ulu Kelang); and
- Wharf Residences (1000 units of condominium in Taman Tasik Prima);

As at 30 September 2013, unbilled sales is approximately RM428 million. However this is expected to breach RM500 million once all bookings amounting to RM91 million as at 30 September 2013 are converted into sales in the ensuing periods.

B2. Material Changes in the Quarterly Results as Compared to the Immediate Preceding Quarter

The result for the current quarter is higher than the immediate preceding quarter mainly due to higher contribution from property development division.

B3. Prospects for the financial year ending 31 March 2014

The Board is pleased to report that the Group achieved RM152 million in sales during the first half of FY2014. The Group also achieved bookings of RM91 million as at 30 September 2013. The sales and bookings are mainly generated from several ongoing projects namely Tijani Ukay, Arata and Tower 28 of the Wharf Residences in Klang Valley as well as Lavender Heights in Seremban.

Recently, the Group has received very good response from its upcoming development in the Klang Valley - Elevia Residences in Taman Tasik Prima Puchong. The Elevia Residences which is strategically located opposite our award winning "The Wharf" mixed development, offers a combination of villas and a block of 25-storey condominiums, and is expected to be launched in the first quarter of 2014.

Meanwhile, the Group will soon be unveiling an all-duplex high-rise condominium development in the highly sought after Mont' Kiara enclave at the end of 2013. The first phase of this 4-acre development will feature 484 units of duplex with a projected Gross Development Value of approximately RM250 million. The Group is confident that such a unique development will be a popular choice for investors and younger house buyers.

51G Kuala Lumpur is the first high-end condominium project in the region with a private car port in each of its 71 units and a 26-feet wide driveway on each floor which enables residents to drive into their units. This innovative project which has international appeal, is located in the heart of the Kuala Lumpur city centre and is expected to be launched next year.

The Group's first foray into East Malaysia is on target to kick off in the first half of 2014. Tentatively named Tijani Signal Hill, this joint venture project is located in the prestigious Signal Hill area of Kota Kinabalu and consists of three towers of luxury condominium and 42 units of 3-storey landed luxury villas.

Together with other on going projects, these projects are expected to contribute positively to the Group's sales performance in FY2014.
