15. Review of performance

The Group's profit before zakat and taxation for the six-months financial period ended 30 June 2011 of RM553.4 million was higher by RM167.8 million compared to the corresponding financial period ended 30 June 2010.

Higher profit recorded from **Energy & Utilities division** by RM121.8 million or 26.9% due to higher volume of gas sold, lower other operating expenses, improved associates performance and lower finance cost as a result of loan repayments during the period.

Higher profit recorded from **Transport & Logistics division** by RM54.7 million or 66.4% mainly driven by the increase in tonnage and throughput volume coupled with lower operating costs.

Better performance from the **Engineering & Construction division** by RM50.9 million or 75.9% mainly due to the absence of profit revisions for the double track project and lower provision on project losses of Zelan Berhad, an associate company of the group.

Lower contribution from **Corporate & Others division** by RM59.7 million or 71.8% due to lower gain on disposal of investment compared against the previous corresponding financial period coupled with higher finance cost.

16. Variation of results against preceding quarter

The Group recorded a profit before zakat and taxation of RM268.2 million in the current quarter as compared to RM285.2 million in the preceding quarter. This was mainly due to lower contribution from the energy and utilities division resulting from lower gross profit margin.

17. Current prospects

Under the EPC Contract, Sumitomo was to inter alia design, engineer, manufacture, erect, install and commission the Prai Power Plant for PPSB.

PPSB's claim is that Sumitomo breached the obligations it owed to PPSB under the EPC Contract by supplying a rotor that was defective in design, manufacture and/or supply. The rotor was found damaged on 11 September 2006.

The total amount claimed by PPSB in its Statement of Claim is for the sum of RM83,608,019.43.

Based on solicitors' advice, PPSB believes that it has strong grounds for the claim.
