#### 1. Basis of Preparation (Cont'd)

The Group has not early adopted the following standards that have been issued by the Malaysian Accounting Standards Board but are not yet effective for the Group:-

Effective for the financial period beginning on or after

#### Amendments/Improvements to FRSs

FRS 136 FRS 138	Impairment of Assets Intangible Assets	1 January 2014 1 July 2014 and
FRS 139	Financial Instruments : Recognition and Measurement	1 January 2016 1 January 2014
FRS 140	Investment Property	1 July 2014

In conjunction with the planned convergence of FRSs with International Financial Reporting Standards as issued by the International Accounting Standards Board on 1 January 2012, the MASB had on 19 November 2011 issue a new MASB approved accounting standards, MFRSs ("MFRSs Framework") for application in the annual periods beginning on or after 1 January 2012.

The MFRSs Framework is mandatory for adoption by all Entities Other Than Private Entities for annual periods beginning on or after 1 January 2012, with the exception of entities subject to the application of MFRS 141 *Agriculture* and/or IC Int 15 *Agreements for the Construction of Real Estate ("Transitioning Entities")*. The Transitioning Entities are given an option to defer adoption of the MFRSs framework to financial periods beginning on or after 1 January 2014. Transitioning Entities also includes those entities that consolidate or equity account or proportionately consolidate another entity that has chosen to continue to apply the FRSs framework for annual periods beginning on or after 1 January 2012.

Accordingly, the Group and the Company which are Transitioning Entities have chosen to defer the adoption of the MFRSs framework to financial year beginning on 1 February 2015. The Group and the Company will prepare its first MFRSs financial statements using the MFRSs framework for the financial year ending 31 January 2016.

As at 31 January 2013, all FRSs issued under the existing FRSs framework are equivalent to the MFRSs issued under MFRSs framework except for differences in relation to the transitional provisions, the adoption of MFRS 141 *Agriculture* and IC Int 15 *Agreements for the Construction of Real Estate* as well as differences in effective dates contained in certain of the existing FRSs. As such, the main effects arising from the transition to the MFRSs Framework is as follows:

## Application of MFRS 1: First-time Adoption of Malaysian Financial Reporting Standards ("MFRS 1")

MFRS 1 requires comparative information to be restated as if the requirements of MFRSs effective for annual periods beginning on or after 1 January 2014 have always been applied, except when MFRS 1 allows certain elective exemptions from such full retrospective application or prohibits retrospective application of some aspects of MFRSs. The Group and the Company are currently assessing the impact of adoption of MFRS 1, including identification of the differences in existing accounting policies as compared to the new MFRSs and the use of optional exemptions as provided for in MFRS 1. As at the date of authorisation of issue of the financial statements, accounting policy decisions or elections have not been finalised. Thus, the impact of adoption of MFRS 1 cannot be determined and estimated reliably until the process is completed.

#### (ii) Hotel and Recreation Division

#### For the current quarter

#### For the current year-to-date

## 8. Material Litigation

Save as disclosed below, neither Talam Transform Berhad ("Talam") nor its subsidiaries are engaged in any material litigation, claims or arbitration either as plaintiff or defendant, which has a material effect on the business or financial position of the Group, and the Board has no knowledge of any proceedings pending or threatened against the Group or of any fact likely to give rise to any proceedings which might materially and adversely affect the business or financial position of Talam Group:

#### Talam Transform Berhad ("Talam")

(a) Talam has initiated legal proceedings against Bangkok Bank Berhad ("BBB") for disposing a piece of property that is pledged to BBB for credit facilities granted to a related party, Keuro Leasing Sdn Bhd, a wholly owned subsidiary of Kumpulan Europlus Berhad. The property, valued at RM48.70 million, is part and parcel of the properties being disposed to Menteri Besar Selangor (Incorporated) ("MBI") under a settlement agreement entered into on 12 March 2010 between the Company and MBI which was made known to BBB. Despite its awareness of this settlement agreement, BBB, had on 7 September 2010, proceeded to auction the property to a purchaser for RM15.00 million which is well below the transacted value with MBI of RM48.70 million.

The Company's applications against the successful bidder were not successful and the Company has decided to proceed with full trial against BBB. The Court has fixed 08, 09, 10 and 12 December 2014 and 15, 16 and 17 December 2014 as full trial dates for the above matter.

Based on legal counsel's advice, the Board of Directors of the Company believes that the Company has a reasonably good and valid claim in the legal action being taken. If necessary, the Company will identify a piece of land to replace the abovementioned land to MBI. The disposal of this property will not have any significant impact on completion of the MBI Settlement.
