3. Prospects

The Group's joint venture projects are on-going albeit at a slow pace due to the soft property market. In addition, the Group had submitted its new development plans on various parcels of land, some of which had already been approved by the relevant authorities. However, the Group is cautiously reassessing the take-up rate due to the soft market. The Group's first "Build then Sell" project has completed and the Certificate of Completion and Compliance (CCC) was granted on 14th December 2021. Sales launch has already commenced. However, the Board foresees a challenging environment ahead for the Group due to tough lending policies caused by the economic uncertainties and fallout brought about by the Covid-19 pandemic, coupled with the already weakened state of the property market, which had existed since end of 2019.

The Group is diversifying into agriculture businesses and had previously entered into a joint venture to carry out the business of developing large-scale, sustainable, modern, commercial melon farming or any crops on part of our undeveloped Bukit Beruntung land-bank, to produce premium quality, safe foods and to market the products to, both, the local and international markets. However, the commencement of the infrastructure works and construction of green-houses were delayed due to challenges of escalating capital costs and also difficulties in sourcing for both local and foreign workers for the agriculture activities.

The High Court had on 6 March 2020 delivered its decision and dismissed UHSB's Civil Suit and also TTB's Counter Claim with no order as to costs. UHSB's Solicitors had on 14 May 2020 served a Notice of Appeal dated 1 April 2020 to appeal to the Court of Appeal against part of the decision of the High Court dismissing UHSB's High Court Civil Suit. The date for the hearing of the Appeal is fixed on 23 and 25 October 2023.

11. Annual Audited Report

The Company's external auditor, Messrs Baker Tilly Monteiro Heng PLT, had issued a qualified audit opinion for the audited financial statements for the financial year ended 31 March 2022 on the basis that they were unable to determine the possible effect on the comparability of the current year figures and corresponding figures, resulting from the matters that gave rise to the previous financial year's qualifications.

As mentioned in Note 37(b) to the audited financial statements for the year ended 31 March 2022, and within the text of the audit qualification itself, the matters which gave rise to the qualification in the Auditors' Report on financial statements for the financial year ended 31 March 2021, have already been concluded during the financial year ended 31 March 2022, as a result of the events disclosed in Note 9(c) and Note 12(b)(iii) to the said financial statements respectively. Accordingly, the audit qualification in the financial year 2022's report is simply to bring closure to both the above matters.

As such, the Board wishes to confirm that there is no further action necessary to address this qualification.
