The unaudited quarterly report has been prepared in accordance with the reporting requirements as set out in Malaysian Financial Reporting Standard ("MFRS") 134 "Interim Financial Reporting" and Paragraph 9.22 of the Bursa Malaysia Securities Berhad Main Market Listing Requirements ("Bursa Securities Listing Requirements") and should be read in conjunction with the Group's audited financial statements for the financial year ended 31 March 2024 where applicable and the accompanying explanatory notes attached to the unaudited condensed consolidated financial statements.

2. Changes in Accounting Policies

The significant accounting policies and methods adopted for the unaudited condensed financial statements are consistent with those adopted for the audited financial statements for the financial year ended 31 March 2024.

(a) Adoption of new MFRS and amendments to MFRSs

The Group and the Company have adopted the following amendments/improvements to MFRSs and new IC Int that are mandatory for the current financial year:

New MFRSs

MFRS 17 Insurance Contracts

Amendments to MFRSs

MFRS 101 Presentation of Financial Statements

MFRS 108 Accounting Policies, Changes in Accounting Estimates and Errors

MFRS 112 Income Tax

The adoption of the above new MFRS and amendments to MFRSs did not have any significant effect on the financial statements of the Group and of the Company and did not result in significant changes to the Group's and the Company's existing accounting policies, except as discussed below:

Amendments to MFRS 101 Presentation of Financial Statements

The amendments require an entity to disclose its material accounting policy information rather than significant accounting policies. The amendments, amongst others, also include examples of circumstances in which an entity is likely to consider an accounting policy information to be material to its financial statements.

Accordingly, the Group and the Company disclosed their material accounting policy information in these financial statements. However, the amendments did not result in changes to the accounting policies of the Group and of the Company.

The Company plan to adopt the above applicable amendments to MFRSs when they become effective. A brief discussion on the above significant amendments to MFRSs that may be applicable to the Company are summarised below.

MFRS 19 Subsidiaries without Public Accountability: Disclosures

MFRS 19 is an optional, disclosure-only Standard which permits eligible subsidiaries to provide reduced disclosures when applying MFRS Accounting Standards in their financial statements. The eligible subsidiary that applies MFRS 19 is required to apply the requirements in the other MFRS Accounting Standards for recognition, measurement and presentation requirements.

Subsidiaries are eligible to apply MFRS 19 if they do not have public accountability and their parent company applies IFRS Accounting Standards in their consolidated financial statements. A subsidiary does not have public accountability if it does not have equities or debt listed in a public market (or is in the process of issuing such instruments for trading in a public market) or does not hold assets in a fiduciary capacity for a broad group of outsiders.

Amendments to MFRS 101 Presentation of Financial Statements

The amendments include specifying that an entity's right to defer settlement of a liability for at least twelve months after the reporting period must have substance and must exist at the end of the reporting period; clarifying that classification of liability is unaffected by the likelihood of the entity to exercise its right to defer settlement of the liability for at least twelve months after the reporting period; clarifying how lending conditions affect classification of a liability; and clarifying requirements for classifying liabilities an entity will or may settle by issuing its own equity instruments.

The latest amendments to MFRS 101 clarify how conditions with which an entity must comply within 12 months after the reporting period affect the classification of a liability. As such, the amendments specify that covenants to be complied with after the reporting date do not affect the classification of debt as current or non-current at the reporting date. Instead, the amendments require an entity to disclose

1. Review of Performance

(a) Overall Results Commentary:

For the current quarter / current year-to-date

The Group recorded total revenue of RM1.85 million, a 91.7% drop compared to RM22.23 million for the same guarter last year.

The Group made a gross profit from operations amounting to RM 0.48 million, compared to a gross profit of RM 5.36 million for the corresponding period last year.

Pre-tax loss for the quarter was RM4.18 million against a pre-tax loss of RM1.90 million a year ago. The loss came mainly from finance cost which amounted to RM8.53 million while in the same quarter, there was share of profit from an associate company of RM4.98 million.

(b) Segmental Results Commentary:

(i) Property Development Division

For the current quarter / current year-to-date

The division achieved a revenue of RM0.49 million from sales of its inventories, lower than the RM7.86 million for the corresponding quarter last year. The Group recorded sales of only 1 unit of its completed Seroja Apartments during the current quarter. As at 30 June 2024, the Group had recognised total sales of RM32.28 million out of a revised estimated total of RM53.1 million. There were no land or other inventory sales during the current quarter.

Borrowing cost for the quarter amounted to RM5.70 million. There was also a one-off MFRS9 charge for amortisation of a financial asset of RM2.83 million in respect of a two-year extension of time granted on a RM28 million receivable, in consideration of a partial payment of RM2.5 million and a RM2.5 million interest-free loan. Consequently, the division recorded a loss of RM 5.54 million.

(ii) Property Investment and Management Division

For the current quarter / current year-to-date

Revenue for the division was RM1.35 million, a 13.4% improvement over the RM1.19 million generated during the same quarter last year.

During the quarter, a settlement was reached with two house-buyers resulting in an over-provision of liquidated ascertained damages of RM1.54 million which was reversed into other income. As a result, pre-tax profit rose to RM1.36 million from a pre-tax loss of RM0.47 million a year ago.

(These figures have not been audited)

Schedule F: Additional Disclosures Pursuant to Appendix 9B of the Listing requirements of Bursa Malaysia Securities Berhad (Cont'd)

1. Review of Performance (Cont'd)

(b) Segmental Results Commentary (Cont'd):

(iii) Construction Division

For the current quarter / current year-to-date

The division did not generate any revenue during this quarter compared to RM13.18 million recorded during the same quarter last year, as its projects have all completed. The division's pre-tax profit was also nil compared to RM 0.79 million for the same period last year.

2. Comparison with Preceding Quarter's Results (Quarter 1, FYE 2025 vs Quarter 4, FYE 2024)

	Current Quarter ended 30 June 2024 RM'000	Immediate preceding Quarter ended 31 March 2024 RM'000
Revenue	1,846	15,668
Profit/(Loss) before tax	(4,176)	(18,253)

The Group recorded an 88.22% quarterly decrease in revenue from RM15.67 million to RM1.85 million, whilst incurring a loss before tax of RM4.18 million from a comparative loss of RM18.25 million. The main reason for the decline in revenue was the lack of revenue from construction and inventory sales. Notwithstanding, the sequential pretax loss of RM4.18 million is significantly lower than RM18.25 million, primarily because last quarter's results had included additional land premium and impairment charge on inventories totaling RM14.14 million. Furthermore, this quarter has benefited from a RM4.98 million share of profit from associate company, which is mitigated by a RM2.83 million MFRS9 finance charge as mentioned in 1(b)(i) above.

3. Prospects

The Group's joint venture projects are on-going albeit at a slow pace due to the soft property market. In addition, the Group had submitted its new development plans on various parcels of land, some of which had already been approved by the relevant authorities. However, the Group is cautiously reassessing the take-up rate due to the weak property market, tight liquidity of potential buyers and tough bank lending policies especially to the B40 category.

The Group's first "Build then Sell" project has been completed and the Certificate of Completion and Compliance (CCC) was granted on 14th December 2021. Sales progress is slower than expected due to high bank rejection rate of the targeted lower income group in obtaining high margin end-financing. The Board foresees a challenging environment ahead for the property sector.

4. Profit Forecast and Profit Guarantee

The Group has not provided any profit forecast or profit guarantee in any public document during the current quarter.

8. Material Litigation

Save as disclosed below, neither the Group nor the Company are engaged in any material litigation, claims or arbitration either as plaintiff or defendant, which has a material effect on the business or financial position of the Group, and the Board of Directors has no knowledge of any proceedings pending or threatened against the Group or of any fact likely to give rise to any proceedings which might materially and adversely affect the business or financial position of the Group:

A Writ of Summons and the Statement of Claim was filed in the Kuala Lumpur High Court Civil Suit No. 22NCC-327-10/2015 ("Civil Suit") by Universal Healthcare (R&D) Sdn Bhd ("UHSB") against TTB and 3 other Defendants who were Directors of Pandan Indah Medical Management Sdn. Bhd. (In Liquidation), a former subsidiary of TTB ("PIMM").

UHSB claims against TTB for the declarations that TTB is a director of PIMM and that the business of PIMM was carried out by its Directors and/ or TTB and that the Directors of PIMM and/or TTB are personally liable to UHSB. Consequently, UHSB is seeking an order that the Directors of PIMM and/ or TTB pay jointly and/ or severally, the alleged debt arising from the judgment sum of RM23.82 million assessed by UHSB against PIMM together with interest at the rate of 8% per annum from the date of Writ of Summons until full settlement amounting to a total alleged claim of RM49.23 million (as at 12 October 2015) and/ or in the alternative, damages to be assessed.

TTB has filed its Defence and also counterclaimed against UHSB and the 3 Directors of UHSB for general damages, exemplary damages and aggravated damages for the tort of abuse of process and/ or malicious prosecution.

The full trial of the Civil Suit commenced on 19, 23 and 24 January 2017 and continued to be heard on 19 and 20 June 2017, 1, 2 and 3 August 2017, 20 and 24 October 2017, 27 and 28 November 2017, 18, 19 and 29 January 2018, 9 and 12 February 2018, 15 March 2018 and 5, 7, and 8 June 2018. The full hearing was completed on 25 June 2018. Both parties had put in their written submissions on 20 August 2018 and the reply on 12 September 2018. The Court had on 10 January 2019 and 12 to 14 June 2019 heard oral submissions and fixed 29 August 2019 to deliver its decision which was then deferred to 29 January 2020 and subsequently to 6 March 2020.

The High Court had on 6 March 2020 delivered its decision and dismissed UHSB's Civil Suit and also TTB's Counter Claim with no order as to costs. UHSB's Solicitors had on 14 May 2020 served a Notice of Appeal dated 1 April 2020 to appeal to the Court of Appeal against part of the decision of the High Court dismissing UHSB's High Court Civil Suit. The case was heard by the Court of Appeal on 23 October 2023, 7 December 2023 and 8 January 2024. With the hearing completed, the Court of Appeal had fixed 27 March 2024, which was subsequently deferred to 27 May 2024, to deliver its decision.

On 27 May 2024, the Court of Appeal had unanimously dismissed the Appeal with costs of RM50,000 payable by the Appellant to TTB and affirmed the High Court's decision on 6 March 2020.

TTB has been served with a sealed notice of Motion dated 24 June 2024 by UHSB to apply for leave to appeal to the Federal Court against the whole decision of the Court of Appeal on 27 May in Civil Appeal No. W-02(NCC)(W)-570-04-2020. The affidavits from both UHSB and TTB have been exhausted and any written submissions must be filed before last case management on 10 October 2024 for the hearing of UHSB's leave application now fixed on 24 October 2024.
