For the financial year ending 2017, the Group anticipates that the fundamental conditions of the property sector will remain largely unchanged from 2016. The general outlook remains challenging given the prevailing weaknesses and macro uncertainties both domestically and abroad. During this period of market slowdown in the property sector, the Group is taking the opportunity to focus on the re-planning of its township development in Bandar Bukit Puchong in order to rejuvenate the township with innovative and market receptive products. At the same time, the Group is embarking on a rebranding exercise to refresh the brand and image of the Group which is targeted to complete by second half of 2017.

In August 2017 the property division launched Andira Park, a gated and guarded landed villa project on 8.3 acre freehold land.

The plantation segment is undergoing a replanting programme and hence not expected to contribute significantly to the performance of the Group for the current financial year.
