Notes to the interim financial statements

A1. Basis of preparation

The interim financial statements have been prepared under the historical cost convention.

The interim financial statements are unaudited and have been prepared in accordance with the requirements of FRS 134: Interim Financial Reporting and paragraph 9.22 of the Listing Requirements of Bursa Malaysia Securities Berhad.

The interim financial statements should be read in conjunction with the audited financial statements for the year ended 31 December 2008. These explanatory notes attached to the interim financial statements provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the Economic Entity since the year ended 31 December 2008.

The significant accounting policies adopted are consistent with those of the audited financial statements for the year ended 31 December 2008.

At the date of authorisation of these interim financial statements, the following FRSs and Interpretations were issued but not yet effective and have not been applied by the Economic Entity:

FRSs and Interpretations		Effective for financial periods beginning on or after
FRS 4	Insurance Contracts	1 January 2010
FRS 7	Financial Instruments : Disclosures	1 January 2010
FRS 8	Operating Segments	1 January 2010
FRS 139	Financial Instruments : Recognition and Measurement	1 July 2009
IC Interpretation 9	Reassessment of Embedded Derivatives	1 January 2010
IC Interpretation 10	Interim Financial Reporting and Impairment	1 January 2010

The adoption of the above FRSs and Interpretations upon their effective dates are not expected to have any significant impact on the interim financial statements of the Economic Entity. The Economic Entity is exempted from disclosing the possible impact, if any, to the financial statements upon its initial application of FRS139

A2. Seasonal or cyclical factors

The production of fresh fruits bunches of oil palms (“FFB”) is dependent on weather conditions; hence is seasonal in nature. The turnover is also dependent on price fluctuations of Crude Palm Oil (“CPO”)

A3. Items affecting assets, liabilities, equity, net income or cash flows

There were no items affecting assets, liabilities, equity, net income or cash flows that are unusual because of their nature, size or incidence.

A4. Change in estimates

There were no changes in estimates that have a material effect in the current quarter.

A5. Debt and equity securities

There were no issuance, cancellations, repurchase, resale and repayments of debt and equity securities in the current quarter.

B1. Review of performance

The Company registered revenue of RM10.50 million for the current financial period, a decrease of 31.71% as compared to the corresponding period in the preceding year. The Company also recorded a gross profit of RM7.17 million for the current financial year, a decrease of 38.86% compared to the corresponding period in the preceding year. The lower revenue to-date is primarily due to a decrease in the average selling price of fresh fruit bunch of oil palm ("FFB").

The Company also recorded a pre-tax profit in the financial year to date of RM11.27 million against pre-tax profit of RM13.48 million, a decrease of 16.42% compared to the corresponding period in the preceding year. The lower pre-tax profit is primarily attributable to a decrease in the average selling price of FFB.

B2. Variation of results against preceding quarter

The current quarter's recorded pre-tax profit of RM7.34 million on revenue of RM6.34 million as compared to pre-tax profit of RM3.93 million on revenue of RM4.16 million posted in the immediate preceding quarter. The higher revenue was mainly due to an increase in average selling price of FFB and improved production in the current quarter as compared to the immediate preceding quarter. The pre-tax profit is primarily due to higher revenue, higher other operating income, higher unrealised foreign exchange gains and higher contributions from the associates in the current quarter as compared to the immediate preceding quarter.

B3. Current year prospects

Barring any unforeseen circumstances, the directors expect the performance of the Company for the current financial year to be satisfactory.
