NOTES TO THE INTERIM FINANCIAL STATEMENTS FOR THE 6 MONTHS ENDED 31 DECEMBER 2014 - UNAUDITED

A1 Basis of preparation

The interim financial statements have been prepared under the historical cost convention except for the revaluation of land and buildings included within property, plant and equipment and investment properties that have been measured at their fair values and financial instruments as sets out in FRS 139.

The interim financial statements are unaudited and have been prepared in accordance with Financial Reporting Standard ("FRS") 134, Interim Financial Reporting and paragraph 9.22 of the listing requirements of Bursa Malaysia Securities Berhad.

The interim financial statements should be read in conjunction with the audited financial statements for the financial year ended 30 June 2014.

The group adopted the same accounting policies and methods of computation as in the audited financial statements for the financial year ended 30 June 2014 except for the adoption of the effective new and revised FRSs, IC interpretations, amendments to FRSs and IC Interpretations which are applicable to its financial statements and are relevant to its operations.

The applications of the effective new and revised FRSs, IC Interpretations, and Amendments did not have any material impact on the financial statements of the Group.

On 19 November 2011, the Malaysian Accounting Standards Board ("MASB") issued a new MASB approved accounting framework, the Malaysian Financial Reporting Standards ("MFRS Framework").

The MFRS Framework is to be applied by all Entities Other Than Private Entities for annual periods beginning on or after 1 January 2012, with the exception of entities that are within the scope of MFRS 141: Agriculture and IC Interpretation 15: Agreements for Construction of Real Estate, including its parent, significant investor and venturer ('herein called "Transitioning Entities").

On 2 September 2014, MASB has decided to allow Transitioning Entities to defer adoption of the MFRS Framework. Adoption of the MFRS Framework by Transitioning Entities will be mandatory for annual periods beginning on or after 1 January 2017.

The Group falls within the scope definition of Transitioning Entities and accordingly has the option to prepare financial statements using the MFRS Framework in its first MFRS financial statements for the year ending 30 June 2018.

B1 Review of performance

For the 6 months ended 31 December 2014 ('current period'), the Group's revenue of RM166.8 million was 4% lower as compared to RM174.6 million for the 6 months ended 31 December 2013 ('corresponding period').

The revenue from property development division was RM65.7 million in the current period compared with RM63.6 million in the corresponding period. Higher revenue from the property development division was mainly attributable to the sales of completed units at Impiana Commercial Hub project in the current period. However, the operating profit of the property development division was RM14.2 million in the current period compared with RM14.9 million in the corresponding period due to lower profit contribution from BM Utama and Jesselton Hills projects.

The revenue from the retail division was RM86.2 million in the current period compared with RM98.1 million in the corresponding period. The operating profit of the retail division was RM12.1 million in the current period compared with RM17.8 million in the corresponding period due to soft market flushed with discount and increase in operating cost.

In the current period, the Group's recorded share of profit from joint ventures of RM7.8 million compared with RM4.5 million in the corresponding period.

The Group recorded a profit before tax of RM 52.0 million for the current period compared with RM34.8 million for the corresponding period. The increase in profit before tax for the current period is mainly due to gain on disposal of shares in its joint venture in Indonesia, which was completed in the current period.

B2 Variation of results against preceding quarter

The Group recorded a 1% increase in revenue from RM83.0 million in the quarter ended 30 September 2014 ('preceding quarter') to RM83.8 million in the quarter ended 31 December 2014 ('current quarter'). This was mainly due to the higher revenue contribution from the retail division.

The revenue from property development division was RM30.7 million in the current quarter compared with RM35.0 million in the preceding quarter. Operating profit of the property development division was RM5.6 million in the current quarter compared with RM8.5 million in the preceding quarter.

The revenue from the retail division was RM45.4 million in the current quarter compared with RM40.8 million in the preceding quarter. The operating profit of the retail division was RM7.2 million in the current quarter compared with RM4.9 million in the preceding quarter.

The Group recorded a profit before tax of RM16.3 million in the current quarter compared with RM35.7 million in the preceding quarter. The higher profit before tax for the in the preceding quarter is mainly due to gain on disposal of shares in its joint venture in Indonesia, which was completed in the preceding quarter.
