For the quarter under review, the Group recorded a revenue of RM42.15 million (3Q2021: RM30.20 million) and a pre-tax profit of RM8.15 million (3Q2021: RM9.69 million). The quarter's revenue improved for all divisions following the lifting of movement control restrictions. However, the quarter's operating profit and pre-tax profit were lower mainly due to lower operating profit from the property division arising from higher marketing incentives for clearing existing completed properties and the share of losses from associated company, Country Garden Properties (Malaysia) Sdn Bhd (CGPM).

Property division

The property division registered a revenue of RM33.98 million (3Q2021: RM23.43 million) and an operating profit of RM4.79 million (3Q2021: RM8.00 million) during the quarter. This quarter's revenue and operating profit was mainly derived from the sales and the progress billings from the ongoing construction of its existing Seresta project as well as sales of completed Astoria Ampang Phase 1 and Sena Parc Phase 1A units. The lower profit was due to higher marketing incentives incurred for clearing its existing completed properties.

Education division

The education division recorded a revenue of RM6.61 million (3Q2021: RM5.59 million) and operating profit of RM2.43 million (3Q2021: RM1.88 million), reflecting an improved revenue and profit with the increase in student enrolment and fees for its international schools, mitigated slightly by the decrease in student enrolment for its private schools.

Other divisions

Other divisions recorded an operating profit of RM0.71 million (3Q2021: loss of RM0.62 million) on the back of a revenue of RM1.56 million (3Q2021: RM1.18 million). The increase in the division's revenue and operating profit for the quarter was mainly due to the higher palm oil prices for plantation. Adding to the increase in operating profit was also the higher writeback of provision for financial obligation of RM2.08 million in 3Q2022 (3Q2021: RM1.56 million).

For the 9 months period under review, the Group registered a pre-tax profit of RM32.02 million (3Q2021: RM35.78 million) on the back of a revenue of RM120.50 million (3Q2021: RM96.85 million) mainly due to lower operating profit from property division and no exceptional income from other division.

Property division

The property division recorded a revenue of RM96.92 million (3Q2021: RM77.08 million) and an operating profit of RM19.36 million (3Q2021: RM20.52 million) for the period. The period's revenue was higher compared to the corresponding period of the preceding year mainly from the construction progress and further sales of Seresta coupled with the sales of completed units of Sena Parc Phase 1A and Astoria Ampang Phase 1. However, the division's operating profit was lower due to higher marketing incentives for its existing completed properties. In addition, the operating profit of 3Q2021 included a writeback of cost of RM2.87 million from a previous completed project.

Education division

The education division posted a revenue of RM18.85 million (3Q2021: RM16.64 million) and an operating profit of RM7.33 million (3Q2021: RM5.77 million) mainly due to the increased student enrolment and fees for its international school as mentioned in (a).

Other division

On the back of a revenue of RM4.73 million (3Q2021: RM3.13 million), other division recorded an operating profit of RM3.13 million (3Q2021: RM12.01 million) for the period ended 31 December 2021.

The division's operating profit for the current period included the one-off income from the gain on disposal of rubberwood of RM1.28 million whereas the corresponding period of preceding year included the writeback of impairment loss on amount due from jointly controlled entity of RM12.77 million, thus resulting in a lower operating profit.

The share of results of jointly controlled entity, Hidden Valley Australia Pty Ltd of RM4.35 million (3Q2021: RM2.65 million) also contributed to the pre-tax profit of the Group due to more settlements during the 9 months period ended 30 December 2021 as compared to the corresponding period of preceding year.

B3. Prospects

The surge of Omicron variant cases in the country over the recent months has caused concerns on potential lockdowns to curb infections despite assurance from the Malaysian government that no further lockdowns will be implemented as we moved further into 2022. Considering the renewed uncertainty along with the prolonged impact of the pandemic and inflation, consumers' spending is likely to continue to be modest.

Nevertheless, the Group will continue to focus on clearing its existing completed properties.

SDSB is of the view that the said additional taxes and penalties levied by IRB are open to challenge and has hence, engaged tax solicitors to assist in challenging the said disputed additional taxes and penalties imposed by IRB.

A. Judicial Review Application at the High Court of Malaya

On 15 March 2021, SDSB filed an Application for Judicial Review to the High Court of Kuala Lumpur ("High Court") in challenging the said notice of additional assessment and the Court had fixed the hearing for leave to commence judicial review on 21 April 2021. Nonetheless, during the hearing for leave to commence judicial review, the Court was informed that the IRB had filed an application to intervene in the judicial review proceedings. Thus, the hearing for the leave application was vacated and Court subsequently fixed the hearing date for the IRB's application to intervene on 10 June 2021, which is to be disposed of first before the leave application is heard. In the meantime, the Court had granted an interim stay upon the enforcement of the said Notice of Additional Assessment until 10 June 2021, whereby the additional taxes did not have to be paid until 10 June 2021.

Due to the implementation of Full Movement Control Order and upon the Attorney General Chamber's and the IRB's requests to adjourn the hearing, the hearing for the IRB's application to intervene is currently adjourned to 12 April 2022. In the meantime, the Court granted an extension of stay until then, whereby the additional taxes do not have to be paid until 12 April 2022.

B. Appeal at the Special Commissioners of Income Tax ("SCIT")

Subsequently the Court had ordered parties to proceed with the filing of cause papers and attend the case management on 24 March 2022.
