Following the dilution, BToto became a 42.52% associated company of the Group. - A12 There were no material changes in the capital commitment since the last annual balance sheet date.

B1 For the quarter ended 31 January 2003, the Group registered a consolidated revenue of RM1.6 billion and pre-tax loss of RM35.1 million as compared to RM1.9 billion and RM33.3 million in the preceding year corresponding quarter respectively. For the nine months period under review, the Group recorded a consolidated revenue of RM5.6 billion and pre-tax profit of RM112.3 million as compared to RM6.2 billion and RM4.9 million in the previous year corresponding period respectively.

The lower revenue for both the third quarter and the nine months period ended 31 January 2003 was mainly attributed to the deconsolidation of BToto as a subsidiary company since the second quarter due to the dilution of the Group's equity interest in BToto as explained in Note A10 (f). The Group did not consolidate BToto's results for the quarter and only consolidated 4 months of BToto's results for the nine months period ended 31 January 2003.

The Board is pleased to note that the decrease in revenue resulting from BToto's deconsolidation is mitigated by the increased revenue from the lumber trading business in North America and higher sales recorded by the motor vehicles trading business.

The pre-tax loss for the third quarter was mainly attributed to those negative items mentioned in Note A4 above. The higher pre-tax profit for the nine months period ended 31 January 2003 was mainly due to:

- i) Higher profits generated by the lumber trading operations in North America;
- ii) Higher sales recorded by the motor vehicles trading business;
- iii) Improved margins from the smart-card manufacturing activities;
- iv) The realisation of profits on disposal of a major piece of property in Batu Pahat, Johor by the property development division; and
- v) The exceptional gains on disposal of investments namely BHLB Pacific Trust Management Berhad ("Pacific Trust") and BHLB Asset Management Sdn Bhd ("Asset Management").
- B2 As compared to the preceding quarter ended 31 October 2002, the Group incurred a pre-tax loss of approximately RM35.1 million while revenue decreased to RM1.6 billion from RM1.8 billion. With the deconsolidation of BToto as a subsidiary company in the previous quarter due to the dilution of the Group's equity interest as explained in Note A10 (f), the Group equity accounted BToto's results for the full 3 months' duration of this current quarter under review. This accounts for the reduction in Group revenue. The pre-tax loss for the third quarter was mainly attributed to those negative items mentioned in Note A4 above, the lower occupancy rates registered by the Group's beach resorts located on the East Coast of Peninsular Malaysia due to the seasonal onset of the monsoon season and lower sales and progress billings from the properties division.
- B3 As there is still much uncertainties surrounding the global economy and geo-political scenarios and that the Group's proposed restructuring plan has not yet been implemented, the Directors anticipate that the operating performance of the Group for the remaining quarter ending 30 April 2003 may be less favourable than the current period ended 31 January 2003.
- B4 There is no profit forecast or profit guarantee for the financial period ended 31 January 2003.

B5 The taxation charge for the quarter and financial period ended 31 January 2003 is detailed as follows:

	Current <u>Quarter</u> RM'000	Financial Year to date RM'000
Based on the results for the period:-		
Current period provision		
- In Malaysia	34,949	166,457
- Outside Malaysia	2,178	17,898
Deferred tax	(4,088)	(13,544)
Under - provision in prior years	37	1,895
	33,076	172,706

The disproportionate tax charge for the Group is due to certain expenses being disallowed for tax purposes and non-availability of Group tax relief in respect of losses incurred by certain subsidiary companies.

B6 a) During the current quarter and financial year-to-date ended 31 January 2003, the Company and its subsidiary company, Inter-Pacific Capital Sdn Bhd, disposed of its unquoted investments in Pacific Trust and Asset Management for a total consideration of approximately RM135 million. The Group realised an exceptional gain of RM72.16 million.

b) Gain/(loss) on disposal of properties is as follows:

	Current <u>Quarter</u> RM'000	Financial Year to date RM'000
Gain on disposal of properties	317	15,800
Loss on disposal of property	(101)	(101)

- B7 The particulars of the purchase and disposal of quoted securities by all companies other than insurance company, stockbroking companies and such other companies exempted by the Exchange were as follows :
  - (a) There were no purchase and disposal of quoted securities during the current quarter and financial year-to-date except for the following:

		Current <u>Quarter</u> RM'000	Financial <u>Year to date</u> RM'000
	Cost of purchase	2,498	21,333
(b)	Investments in quoted securities : -		At end of current quarter RM'000
(i) (ii) (iii)	at cost; at carrying value/book value; at market value.		<u>142,289</u> <u>67,855</u> <u>38,094</u>

- B8 There has been no further developments for those corporate proposals disclosed in Notes 40 and 41 to the audited financial statements of the Group for the financial year ended 30 April 2002 except for the following:
  - a) With regards to Note 41(B)(1), the Company had on 2 December 2002, announced that its subsidiary companies, namely Inter-Pacific Trading Sdn Bhd, Regnis Industries (Malaysia) Sdn Bhd and Prime Credit Leasing Sdn Bhd (collectively "DS-SubCos"), have entered into debt settlement agreements ("DSAs") with Sun Media Corporation Sdn Bhd and Nexnews Berhad ("Nexnews") for the cash settlement of approximately RM45.9 million of debts due to DS-SubCos. As part of the terms of the DSAs, the DS-SubCos will undertake to utilise the proceeds from the proposed debt settlement to subscribe for new Irredeemable Convertible Preference Shares ("ICPS") in Nexnews. The Company also entered into a conditional sale and purchase agreement with Net Edge Online Sdn Bhd for the proposed sale of rights to allotment of 7,812,000 new ICPS in Nexnews for a consideration of RM7,812,000.

Upon the completion of the abovementioned proposals, the Company and DS-SubCos will collectively own approximately 26.4% of the total ICPS to be issued by Nexnews. The DS-SubCos will participate in a proposed offer for sale of the ICPS to the minority shareholders of Nexnews and bumiputra investors at an indicative price of RM1.00 each. A total of about 75.57 million ICPS will be offered for sale.

The abovementioned proposals are subject to the approvals from the relevant authorities.

- b) With regards to Note 41(B)(2), the Company announced on 27 December 2002 that the due to the complexity of the proposed restructuring exercise and the on-going negotiations with the relevant bankers with regard to the securitisation of part of their loans, the Board estimates that the application to the Securities Commission ("SC") can be made within six months from 27 December 2002.
- c) With regards to Note 41(B)(8), the Company announced on 31 December 2002 that Transwater Corporation Berhad ("Transwater") had obtained the approval from SC with regards to Transwater's proposed acquisition of Hyundai-Berjaya Sdn Bhd ("HBSB") subject to the conditions imposed by SC and approvals from amongst others, the shareholders of Transwater.
- d) With regards to Note 41(B)(5), BLand announced on 17 January 2003 and 28 January 2003 that Immediate Capital Sdn Bhd ("ICSB") will acquire an additional RM37.728 million and RM3 million nominal amount of BLB ICULS respectively. As a result of the additional purchases, the quantum of BLB ICULS to be offered for sale by ICSB will increase from RM212.735 million to RM253.464 million whereas the financial institutions will offer RM544.747 million pursuant to the proposed offer for sale.
- e) With regards to Note 41(B)(6), Berjaya Land Berhad ("BLand") announced on 10 January 2003 that due to the complexity of its proposed restructuring exercise, its application to the SC will be made within six months from 10 January 2003.

## B8 CONT'D

f) With regards to Note 41(A)(6), on 23 January 2002 BLand gave BToto a written undertaking relating to the settlement arrangement for the inter-company advances. On 27 January 2003 and 29 January 2003, BLand announced that its wholly owned subsidiary company, Gateway Benefit Sdn Bhd ("GBSB") has disposed of an aggregate of RM40.226 million BToto ICULS at an average price of RM3.03 per BToto ICULS. The entire net proceeds were applied towards part repayment of the outstanding inter-company balances owing to BToto. As at 31 January 2003, the balance due to BToto from the Group was RM1,087.8 million after deducting the cash repayment of RM75 million by the Group from the disposal of RM25.0 million ICULS on 27 January 2003. Further net proceeds from the disposal of RM15.226 million ICULS on 29 January 2003 received in the fourth quarter has also been applied towards part repayment of the inter-company balances due to BToto by the Group.

On 24 September 2002, BToto announced that an application has been submitted to the SC for a further 6 months extension of time for BLand to fulfil the SC's condition that BLand will ensure at least 50% of the BToto ICULS beneficially owned by the BLand group will be redeemed from the relevant lenders of the Group within 60 days after the listing of and quotation for the BToto ICULS on the KLSE ("the Undertaking").

On 13 March 2003, BToto announced that the SC has, vide its letter dated 8 March 2003 informed that it was unable to consider the request of a further extension of time for BLand to fulfill the Undertaking, in view that the Undertaking given was irrevocable and unconditional.

Notwithstanding the above, BToto has on 19 February 2003 announced that BLand has fulfilled the Undertaking. To date, the BLand group would have had a total of RM200.278 million nominal value of BToto ICULS free from encumbrances, had it not disposed of some of the BToto ICULS.

Accordingly, as of to date, after the placement of RM40.226 million BToto ICULS mentioned above, the BLand group now beneficially owns RM160.052 million nominal value of BToto ICULS which are free from encumbrances pursuant to the Undertaking.

The status of the corporate proposal announced subsequent to the audited financial statements of the Group for the financial year ended 30 April 2002 is as follows:

It is proposed that IUB will subscribe for 99,998 new ordinary shares in PMSB at the par value of RM1.00 each and 90,000,000 new redeemable preference shares of RM0.01 each in PMSB at an issue price of RM1.00 per preference share. The ordinary share capital of PMSB will be enlarged to RM100,000 upon completion of this subscription.

PMSB is an investment holding company and its wholly owned subsidiary company, Convenience Shopping Sdn Bhd ("CSSB"), operates the "7-Eleven" chain of convenience stores. PMSB was acquired by Global Empires Sdn Bhd ("GESB") on 10 March 2003 and PMSB acquired CSSB from GESB on 12 March 2003.

# B8 CONT'D

The Company has provided a profit guarantee of RM31.882 million, which is based on 90% of CSSB's consolidated profit after tax ("ConPAT") of RM35.424 million for the three financial years ending 30 April 2005 to 2007 ("PGPeriod"). In addition to the profit guarantee, the Company has granted PMSB a put option, which is exercisable if the ConPAT for the PGPeriod falls below RM25.4 million, to sell the entire CSSB shares back to the Company or its nominee for a consideration of RM90 million plus holding costs at 7% per annum compounded.
