^{*} The new Companies Act 2016('the Act'), which came into effect on 31 January 2017, abolished the concept of authorised share capital and par value of share capital. Consequently, the amounts standing to the credit of the share premium account become part of Company's share capital pursuant to the transitional provisions set out in Section 618(2) of the Act. Notwithstanding this provision, the Company may within 24 months from the commencement of the Act, use the amount standing to the credit of its share premium account of RM69.415 million for the purposes as set out in Section 618(3).

The Group recorded a higher profit before tax of RM16.440 million compared to preceding quarter's gain of RM3.768 million mainly due to forex gain and fair value gain derived from investment securities of RM9.135 million and RM 14.153 million respectively.

K4 Prospects

The Group will continue to build Diners credit cards business in Singapore through expanding card membership and merchants base to further increase card receivables and earnings. The Group is collaborating with Alipay to expand its acceptance in Singapore. Diners E-Wallet with QR code acceptance is targeted to be launched in second quarter of the year with our major cobrand partners to further increase revenue and market share for the financial year ending 2019.

The Group expects the process of conversion of our land in Puchong for property development to be approved during the current financial year. This will have positive impact on your Group's profitability in the longer term.

K5 Profit Forecast

Not applicable as no profit forecast was issued by the Group.
