This forced a return to some Phase 2 measures, which was announced on 4th May 2021 under "phase 3 Heightened Alert", taking effect between 8th May and 30th May. Measures were tightened on 14th May 2021 through "phase 2 Heightened Alert" taking effect from 16th May to 13th Jun 2021. Q6's prospect will therefore continue to remain challenging in the face of this resurgence. The Group continues to make additional efforts in marketing through it's digital channels as far as it is practical.

The Proposed Disposal of Diners Club Singapore and Diners Pay Pte Ltd for a consideration of S\$103,586,103 (approximately RM313.98 million), when completed will put the Group in a stronger position.

K5 Disclosure of Covid-19 related impacts

On 11 March 2020, the World Health Organisation declared the Coronavirus ("COVID-19") outbreak as a pandemic in recognition of its rapid spread across the globe. On 18 March 2020, the Malaysian Government imposed the Movement Control Order ("MCO") to curb the spread of COVID-19 pandemic in Malaysia. When the number of daily new infections began to fall, the MCO was lifted on 12 May 2020 and was replaced with less restrictive forms of MCO. On 13 January 2021, following the start of a third wave of infections in Malaysia, the Malaysian Government re-imposed the MCO in certain states until 5 March 2021, followed by Conditional MCO thereafter. On 1 June 2021, the Full MCO was imposed in Malaysia as a result of the significant increases on the number of daily new infections. Likewise in Singapore, the Government of Singapore has re-introduced tighter social control measures to mitigate the spread of COVID-19. The COVID-19 pandemic also resulted in travel restriction, lockdown, social distancing and other precautionary measures imposed in various countries.

The Group and the Company have accounted for the possible impacts of COVID-19 pandemic in their application of significant judgements and estimates in determining the amounts recognised in the financial statements for the financial period ended 30 April 2021.

Given the fluidity of the situation, the Group and the Company will continuously monitor any material changes to future economic conditions that will affect the Group and the Company in determining the amounts to be recognised in the financial statement for the financial year ending 31 July 2021.
