1. **Basis of preparation**

The interim financial report is unaudited and has been prepared in accordance with Malaysian Financial Reporting Standards ("MFRS") 134 "Interim Financial Reporting" and paragraph 9.22 of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad and should be read in conjunction with the Group's audited financial statements for the financial year ended 30 June 2020. This interim financial report also complies with International Accounting Standards 34 "Interim Financial Reporting" issued by the International Accounting Standards Board.

The accounting policies and presentation adopted for this interim financial report are consistent with those adopted in the audited financial statements for the financial year ended 30 June 2020 except for the adoption of MFRSs, amendments and interpretations that are effective for annual periods beginning on or after 1 January 2020 which are applicable to the Group. The initial adoption of these applicable MFRSs, amendments and interpretations do not have any material impact on the financial statements of the Group.

2. Qualification of audit report of the preceding annual financial statements

The audit report for the preceding annual financial statements was not qualified.

3. Seasonality or cyclicality of interim operations

There has been no material seasonal or cyclical factor affecting the results of the quarter under review.

4. Nature and amount of items affecting assets, liabilities, equity, net income, or cash flows that are unusual because of their nature, size, or incidence

There were no items affecting assets, liabilities, equity, net income, or cash flows that are unusual because of their nature, size, or incidence during the quarter under review and financial year-to-date.

5. Changes in estimates of amounts reported in prior interim periods of the current financial year or in prior financial years

There were no changes in estimates of amounts reported in the prior financial years.

6. Issuances, cancellations, repurchases, resale and repayments of debt and equity securities

- (a) There were no additional shares bought back during the quarter under review and financial year-to-date. The total number of shares bought back as at 30 September 2020 was 10,988,000 shares and the shares are being held as treasury shares in accordance with the requirement of Section 127 of the Companies Act 2016.
- (b) During the quarter under review, a total of 7,284,264 existing ordinary shares in the Company ("MPI shares") held in the Executive Share Scheme ("ESS") Trust were disposed to its immediate holding company at market price.

There were no additional shares purchased by the ESS Trust during the quarter under review and financial year-to-date. As at 30 September 2020, the total number of shares held by the ESS Trust was 1,008,333 shares, including the 8,333 vested MPI Shares pending transfer to an eligible executive.

There were no issuance of shares, shares cancellation, resale of treasury shares or repayment of debt or equity securities during the quarter under review and financial year-to-date.

The figures have not been audited

7. Dividend paid

There were no dividend paid during the quarter under review and financial year-to-date.

8. **Operating Segments**

The Group's segmental report for the financial year-to-date is as follows:

9. Material events not reflected in the financial statements

There are no material subsequent events to be disclosed as at the date of this report.

10. Changes in the composition of the Group

There were no changes in the composition of the Group during the quarter under review, including business combinations, acquisition or disposal of subsidiaries and long-term investments, restructurings and discontinuing operations.

The figures have not been audited

11. Review of performance

For the quarter under review, the Group recorded revenue of RM440.6 million and profit before taxation ("PBT") of RM73.1 million as compared with revenue and PBT of RM369.1 million and RM49.3 million respectively for the corresponding quarter of the preceding year ended 30 June 2020 ("FY2020"). Revenue for the Asia, USA and Europe segments were higher by 25%, 21% and 4% respectively against the corresponding quarter of FY2020.

The improved PBT for the quarter under review was mainly due to higher revenue across all segments.

12. Material changes in profit before taxation against the immediate preceding quarter

The Group's revenue for the quarter under review was RM440.6 million against the preceding quarter of RM405.5 million. Revenue for the Asia, USA and Europe segments were higher by 7%, 13% and 11% respectively against the preceding quarter.

For the quarter under review, the Group recorded PBT of RM73.1 million as compared with RM62.5 million for the preceding quarter. The higher PBT for the quarter under review was mainly due to higher revenue, partially offset by movement in foreign exchange rates.

13. **Prospects**

The Board anticipates that the operating environment will remain challenging due to the COVID-19 pandemic and uncertainties of the global economy in the coming quarters. The Group will continue to focus on its business strategies and operational efficiencies to ensure sustainability and strengthen its fundamentals in conducting business. Barring any unforeseen circumstances, the Board expects the Group's performance for the financial year ending 30 June 2021 to be satisfactory.

14. Profit forecast / profit guaranteed

The figures have not been audited

22. **Derivatives**

The Group has entered into a number of forward foreign exchange contracts by subsidiaries to hedge the cash flow risk in relation to the variations of cash flows arising from future forecasted transactions.

The forward foreign exchange contracts are stated at fair value using observable market prices in active markets, including recent market transactions and valuation techniques that include discounted cash flow models and option pricing models, as appropriate.

As at 30 September 2020, the contract amount, fair value and maturity tenor of the forward foreign exchange contracts are as follows:

	Contract amount	Fair Value Assets / (Liabilities)
	RM'000	RM'000
Less than 1 year	171,922	1,803

Derivatives (which are classified as financial assets/liabilities) categorised as fair value through profit or loss are subsequently measured at their fair values with the gains/losses recognised in profit or loss. Gains/losses arising from fair value changes of derivatives is as disclosed in Note 15.

There is no change to the type of derivative financial contracts entered into, cash requirements of the derivatives, risk associated with the derivatives and the risk management objectives and policies to mitigate these risks since the previous financial year ended 30 June 2020.

23. Gains/losses arising from fair value changes of financial liabilities

Other than derivatives which are classified as financial liabilities when they are at fair value loss position, the Group does not remeasure its financial liabilities at fair value after the initial recognition.
