UNAUDITED INTERIM FINANCIAL REPORT FOR THE PERIOD ENDED 31 MARCH 2024 ADDITIONAL INFORMATION REQUIRED BY THE BURSA SECURITIES LR

B1 The main operating businesses of the Group are number forecast operations ("NFO") which includes toto betting operations and related activities, auto retailing and provision of aftersales services, property development and investment and the operations of hotels and resorts. The key factors (other than general economic conditions) affecting the performance of the main operating businesses in the Group are as follows:

Number forecast operations (gaming)

- disposable income of the general public, Jackpot cycles, luck factor, illegal gaming and the number of draws in the financial period.

Auto retailing and provision of aftersales services

- the automotive trend, supply chain in prestige and specialist cars in the United Kingdom ("UK").

Property development and investment

 demography of population, location of the properties, costs of building materials and related services lending guidelines and interest rates of the financial institutions, rental rates, age and condition of investment properties and the quality of property management services.

Operations of hotels and resorts

- room rates, seasonal festive periods and school holidays, location of the hotels and resorts, tourism and currency exchange trends, energy/other supplies costs, quality of rooms/amenities/service.

The performance of the Group's operating businesses may be affected should the imposition of restrictive measures be introduced in response to any future pandemic.

Review of Results For the Current Quarter Ended 31 March 2024

The summarised results of the Group are as follows:	3-Month	3-Month Ended		
	31/03/2024 RM'000	31/03/2023 RM'000	+/(-) %	
Revenue	1,952,343	1,935,899	0.85	
Profit from operations	80,134	107,966	(26)	
Profit before tax	115,293	59,426	94	

The Group registered a revenue of RM1.95 billion and pre-tax profit of RM115.29 million in the current quarter ended 31 March 2024 as compared to a revenue of RM1.94 billion and pre-tax profit of RM59.43 million in the previous year corresponding quarter.

The higher Group revenue recorded was mainly due to the higher revenue reported by STM Lottery Sdn Bhd ("STM Lottery") primarily due to higher sales per draw coupled with an additional draw conducted in the current quarter (42 draws versus 41 draws in the previous year corresponding quarter). In addition, hotels and resorts business segment also reported higher revenue due to higher overall average room rate and higher overall occupancy rate during the current quarter under review with the rise in tourist arrivals, boosted by visa exemption for certain countries.

H.R. Owen Plc ("H.R. Owen") reported lower revenue in the current quarter mainly due to lower used car sales but partially mitigated by higher aftersales revenue. However, with the effect of the favourable foreign exchange effect, H.R. Owen reported higher revenue when converted into Ringgit Malaysia.

UNAUDITED INTERIM FINANCIAL REPORT FOR THE PERIOD ENDED 31 MARCH 2024 ADDITIONAL INFORMATION REQUIRED BY THE BURSA SECURITIES LR

Review of Results For the Current Quarter Ended 31 March 2024 (Cont'd)

The above has offset the lower revenue reported by the property development and investment business segment. This lower revenue attained was mainly due to the lower progress billings during the current quarter under review. In the previous year corresponding quarter, this business segment reported a higher revenue arising from the disposal of several parcels of land.

The Group reported a higher pre-tax profit to RM115.29 million in the current quarter mainly due to:

- (i) the higher profit contribution from STM Lottery due to higher revenue achieved as mentioned above and lower prize payout in this current quarter under review;
- (ii) H.R. Owen reported higher pre-tax profit mainly atributed to better profit margin earned from new car sales as well as profit improvement from full resumption of its aftersales operations subsequent to the completion of aftersales outlets relocation;
- (iii) better performance from the hotels and resorts business segment resulting from higher revenue achieved; and
- (iv) the gain on deemed disposal of partial equity interest in an associated company amounted to RM42.50 million and the resultant gain on remeasurement of retained equity interest in a former associated company amounted to RM56.89 million in this current quarter under review as disclosed in Note A3(a).

The above has offset the lower profit contribution from the property development and investment business segment resulting from the lower revenue reported.

Review of Results For the 9-month Period

The summarised results of the Group are as follows:

	9-Month	Ended	
	31/03/2024 RM'000	31/03/2023 RM'000	+/(-) %
Revenue	5,648,227	5,335,771	6
Profit from operations	292,345	325,534	(10)
Profit before tax	209,138	311,705	(33)

For the 9-month period ended 31 March 2024 under review, the Group registered a revenue of RM5.65 billion and pre-tax profit of RM209.14 million as compared to a revenue of RM5.34 billion and pre-tax profit of RM311.7 million reported in the previous year corresponding period.

The higher Group revenue recorded was mainly due to:

- (i) STM Lottery reporting higher revenue despite conducting lesser number of draws in the current period (126 draws versus 135 draws in the previous year corresponding period) driven by the higher accumulated jackpot prizes;
- (ii) H.R. Owen reported lower revenue in the current 9-month period, however, with the effect of the favourable foreign exchange effect, H.R. Owen reported higher revenue when converted into Ringgit Malaysia;
- (iii) the higher overall average room rates reported by the hotels and resorts business segment and the full-period revenue contribution from the Iceland Parliament Hotel, which commenced its operations in December 2022; and
- (iv) the higher property progress billings reported by the property development and investment business segment.

UNAUDITED INTERIM FINANCIAL REPORT FOR THE PERIOD ENDED 31 MARCH 2024 ADDITIONAL INFORMATION REQUIRED BY THE BURSA SECURITIES LR

Review of Results For the 9-month Period (Cont'd)

In spite of the higher revenue, the Group reported a lower pre-tax profit of RM209.14 million in the current 9-month period mainly due to:

- (i) the lower profit contribution from the property development and investment business segment despite recording higher revenue. In the previous year corresponding period, this business segment reported better profit contribution arising from the sale of several parcels of vacant land;
- (ii) the higher operating expenses incurred by the Group in line with the increase in the volume of business activities and also due to the inflationary pressure;
- (iii) the higher depreciation incurred by H.R. Owen following the completion and full operation of the Hatfield Centre; and
- (iv) the higher finance costs and the share of losses from its associated companies and joint ventures.

The above factors were mitigated by the higher profit contribution by STM Lottery resulting from higher revenue achieved as well as lower prize payout. In addition, the Group has accounted a gain on deemed disposal of partial equity interest in an associated company amounted to RM42.50 million and the resultant gain on remeasurement of retained equity interest in a former associated company amounted to RM56.89 million in this current quarter under review.

B2 Review of Results of Third Quarter Vs Second Quarter

	3-Month Ended 31/03/2024 RM'000	3-Month Ended 31/12/2023 RM'000	+/(-)
Revenue	1,952,343	1,687,150	16
Profit from operations	80,134	55,316	45
Profit/(loss) before tax	115,293	(21,737)	N/A

For the current quarter ended 31 March 2024, the Group reported a revenue of RM1.95 billion and pre-tax profit of RM115.29 million as compared to a revenue of RM1.69 billion and pre-tax loss of RM21.74 million in the preceding quarter ended 31 December 2023.

The Group's higher revenue was mainly due to:

- (i) STM Lottery recorded an increase in revenue of 9.9% in the current quarter benefitted from traditionally stronger sales during the festive period in the month of February 2024; and
- (ii) H.R. Owen's revenue increased by 38.8% mainly due to higher volume of car sold from both new and used car sectors that benefitted from the number plate change month, despite the backdrop of the on-going challenging economic conditions in the UK.

These mitigated:

- (i) the lower property progress billings reported by the property development and investment business segment; and
- (ii) the lower revenue from lower overall average room rate reported by the hotels and resorts business segment due to the onset of winter season in Iceland and the negative impact of the volcanic eruption in Grindavik, Iceland that affected tourists arrival.

UNAUDITED INTERIM FINANCIAL REPORT FOR THE PERIOD ENDED 31 MARCH 2024 ADDITIONAL INFORMATION REQUIRED BY THE BURSA SECURITIES LR

B2 Review of Results of Third Quarter Vs Second Quarter (Cont'd)

The Group reported a turnaround to a pre-tax profit of RM115.29 million in the current quarter mainly due to:

- (i) the higher profit contribution from STM Lottery due to higher revenue achieved as mentioned above and lower prize payout in this current quarter under review;
- (ii) H.R. Owen reported a profit in the current quarter under review as compared to a loss in the preceding quarter mainly due to higher revenue as mentioned above; and
- (iii) the gain on deemed disposal of partial equity interest in an associated company and the resultant gain on remeasurement of retained equity interest in a former associated company in this current quarter under review as mentioned above.

The above mitigated the low profit contribution from both the hotels and property business segments resulting from lower revenue.

B3 Future Prospects

Malaysia's economic growth is expected to be driven by strong domestic demand and the moderation of average inflation rate despite the uncertainties arising from geo-political tensions. The Group will monitor the prevailing global and local political development in the countries where the Group has business operations.

The performance of the domestic business segments of the Group is expected to improve on the back of strong consumer spending and improvement in tourism activities. As for the gaming business, the closure of legal NFO outlets in Kedah and Perlis will result in the proliferation of illegal operators in these underserved areas.

Taking into account of the aforesaid and barring any unforeseen circumstances, the Directors are cautiously optimistic that the performance of the business operations of the Group for the remaining quarter of the financial year ending 30 June 2024 to be satisfactory.

The disproportionate tax charge of the Group for the current quarter and financial period ended 31 March 2024 was mainly due to certain expenses being disallowed for tax purposes and the non-availability of the Group tax relief in respect of losses incurred by certain subsidiary companies.

- B7 The corporate proposals announced by the Group but not completed as at the date of this announcement are listed below:

Further to the above, on 14 December 2017, the Company announced that the Selangor State Government and several other respondents ("the Appellants") have filed a Notice of Appeal to the Court of Appeal to appeal against the decision of the Shah Alam High Court made on 9 November 2017 ("Main Appeal"). The 1st and 5th Respondents have also applied to stay the ongoing proceedings in the Shah Alam High Court and the execution of the Shah Alam High Court judgement in the judicial review proceedings ("Stay of Proceedings Application"). The Applicants have applied to the Shah Alam High Court for an extension of time to submit the proposal papers to the the first and fifth respondents ("Extension of Time Application"). The Court of Appeal has granted a stay of execution of the High Court judgment and the Assessment Proceedings pending the disposal of the Main Appeal at the Court of Appeal.

The hearing of the Selangor State Government's appeal at the Court of Appeal which was previously fixed on 24 October 2019 has been vacated by the Court of Appeal. The Court of Appeal will instead hear a motion by the Selangor State Government to adduce further evidence in this matter. The Court of Appeal has then fixed 22 November 2019 as case management date to fix the hearing date of the Main Appeal. On 22 November 2019, the Court of Appeal fixed the hearing date of the Main Appeal on 27 March 2020.

UNAUDITED INTERIM FINANCIAL REPORT FOR THE PERIOD ENDED 31 MARCH 2024 ADDITIONAL INFORMATION REQUIRED BY THE BURSA SECURITIES LR

B7 The corporate proposals announced by the Group but not completed as at the date of this announcement are listed below (cont'd):

The hearing of the Selangor State Government's motion to adduce further evidence in the matter was dismissed by the Court of Appeal on 24 October 2019. The Appellants subsequently filed a motion for leave to appeal to the Federal Court against the decision of the Court of Appeal in dismissing the Appellants' motion to adduce further evidence (the "FC Leave Motion"). The Federal Court has fixed the hearing of the Appellants' application for leave to appeal on 13 April 2020.

The Appellants have also filed a stay application to stay the hearing of the Main Appeal pending disposal of the FC Leave Motion. This stay application was fixed for hearing on the same day as the hearing of the Main Appeal, that was on 27 March 2020. In the event that the stay is refused by the Court of Appeal, the hearing of the Main Appeal will proceed.

Due to the Movement Control Order (MCO) that came into effect on 18 March 2020, the hearings of the FC Leave Motion and the application for stay as well as the Main Appeal were postponed to 6 July 2020 and 2 July 2020 respectively. A case management date for the main appeal was also fixed for 9 July 2020 by the Court of Appeal.

Subsequently, the State Government has withdrawn both the FC Leave Motion and the stay application at the Court of Appeal on 19 June 2020 and 2 July 2020 respectively. The hearing of the Main Appeal by the Court of Appeal was initially fixed on 14 December 2020. However, the Court of Appeal had postponed the hearing date of the Main Appeal to 29 June 2021. The implementation of FMCO beginning 1 June 2021 further postponed the hearing date to 27 September 2021. On 27 September 2021, the Court of Appeal postponed the hearing to 3 November 2021.

The Main Appeal was heard by the Court of Appeal on 3 November 2021.

The Court of Appeal allowed the appeal of the Appellants and set aside the decision of the Shah Alam High Court rendered on 9 November 2017.

The Applicants do not agree with the decision of the Court of Appeal and filed a motion for leave to appeal to the Federal Court to set aside the decision of the Court of Appeal and restore the decision of the Shah Alam High Court of 9 November 2017 ("Motion for Leave").

With respect to the Assessment Proceedings and Extension of Time Application, the Shah Alam High Court had fixed a further case management date on 25 November 2021 for the Applicants to update the Shah Alam High Court as to their next course of action following the Court of Appeal's decision of 3 November 2021.

The case management date at the Shah Alam High Court was subsequently rescheduled to 8 December 2021 at which the Shah Alam High Court directed that in light of the Court of Appeal's decision, there are no further proceedings on both the Assessment Proceedings and the Extension of Time Application at the Shah Alam High Court. Hence, there is no basis for the applications to be kept in abeyance at the Shah Alam High Court. The Court then struck out both the Assessment Proceedings and the Extension of Time Application with no order as to costs.

The initial hearing date to hear the Motion for Leave at the Federal Court fixed on 2 August 2022 was postponed to a later date to be fixed by the Federal Court. At the case management on 3 October 2022, the Federal Court has fixed 12 January 2023 to hear the Motion for Leave. On 12 January 2023, the Federal Court postponed the hearing to 12 April 2023.

Ltd ("GMOC"), a 51%-owned subsidiary of Berjaya Leisure (Cayman) Limited ("BLCL"), which in turn is a wholly-owned subsidiary of the Company had entered into a Construction Project Transfer Agreement ("Contract") with Beijing SkyOcean International Holdings Limited ("Beijing SkyOcean"), for the proposed disposal of the Berjaya (China) Great Mall Recreation Centre which is under construction and located in Sanhe City, Hebei Province, the People's Republic of China ("Great Mall Project"), for a cash consideration of RMB2.08 billion (or about RM1.39 billion) ("Proposed Disposal").

B7 The corporate proposals announced by the Group but not completed as at the date of this announcement are listed below (cont'd):

Subsequently, on 28 April 2017, the Company announced that following the completion of the Proposed Disposal, GMOC has entered into a supplementary agreement with Beijing SkyOcean to adjust the total cash consideration pursuant to the Proposed Disposal from RMB2.08 billion to RMB2.039 billion, and accordingly revise the Final Instalment to RMB974.07 million as a result of part of the land being regained by Sanhe Land and Resource Bureau, reimbursement of theme park equipment and shared expenses relating to certain electrical works.

SkyOcean Holdings Group Limited which holds 100% stake in Beijing SkyOcean, and its major shareholder, Mr. Zhou Zheng ("the Guarantors") shall guarantee the performance of the obligations by Beijing SkyOcean pursuant to the Contract.

On 8 December 2017, the Company announced Beijing SkyOcean had not remitted the Final Instalment to GMOC by the appointed time. Hence, GMOC after seeking legal advice, had on 7 December 2017, issued a notice of demand to Beijing SkyOcean and the Guarantors to pay to GMOC the Final Instalment and accrued late payment interest within 3 days upon receipt of the said notice, failing which GMOC will take all relevant legal measures, including commencing legal proceeding in Hong Kong against Beijing SkyOcean and the Guarantors to protect and enforce GMOC's legitimate rights.

On 19 January 2018, the Company announced that GMOC submitted a Notice of Arbitration to the Hong Kong International Arbitration Centre ("HKIAC") against Beijing SkyOcean and the Guarantors ("Respondents") to seek recovery of the Final Instalment and accrued late payment interests as well as other reliefs.

The arbitral tribunal was constituted and the procedural timetable was determined by the tribunal for pre-trial preparations, including closing of pleadings, discovery of documents and exchange of witness statements, etc. The arbitration hearing which was originally scheduled to take place in the week of 14 October 2019 was subsequently held and concluded during the week of 16 December 2019.

On 27 May 2020, the Company announced that GMOC has on 21 May 2020 obtained a favourable arbitration award from the HKIAC ("Final Award"), details of which are as follows:-

- (i) Beijing SkyOcean shall pay to GMOC the outstanding balance amount of RMB974.07 million;
- (ii) Beijing SkyOcean shall pay liquidated damages on the outstanding balance amount calculated at the People's Bank of China's lending rate of 4.75% per annum from the payment due date of 28 November 2017 until the date full payment is made;
- (iii) The Guarantors shall be jointly and severally liable for the amounts payable by Beijing SkyOcean under the Final Award; and
- (iv) The Respondents shall jointly pay legal costs of about RMB15.9 million (or about RM9.72 million) and arbitration costs of about HKD3.96 million (or about RM2.23 million) within 30 days after issuance of the Final Award, failing which late payment interest at 8% per annum shall be charged from the due date until the date of actual payment.

On 18 December 2020, Beijing Fourth Intermediate People's Court ordered the recognition and enforcement of GMOC's Final Award under the Supplemental Arrangement Concerning Mutual Enforcement of Arbitral Awards between the Mainland and the Hong Kong Special Administrative Region ("HKSAR"), which was entered between the Chinese Supreme People's Court and HKSAR.

B7 The corporate proposals announced by the Group but not completed as at the date of this announcement are listed below (cont'd):

On 2 June 2021, the Hong Kong Court ordered a bankruptcy order against Zhou Zheng. Subsequently, GMOC appointed Grant Thornton Recovery & Reorganisation Limited as joint and several trustees of the property of Zhou Zheng, to investigate and recover the Final Award.

The courts in the People's Republic of China and Hong Kong have ordered that various assets of Beijing SkyOcean and its Guarantors to be frozen and will be appraised for auction to eventually recover the Final Award.

The abovementioned enforcement proceedings are still ongoing.

(c) On 4 June 2018, the Company announced that BLCL had entered into a Capital Transfer Agreement for the proposed disposal by BLCL of the entire resultant 32.5% of the capital contribution in Berjaya Vietnam Financial Center Limited ("BVFC") to Vinhomes Joint Stock Company ("Vinhomes") and Can Gio Tourist City Corporation for a cash consideration of VND884.93 billion (equivalent to approximately RM154.86 million) ("Proposed BVFC Disposal"). The Proposed BVFC Disposal is pending completion.

Initially, BLCL's capital contribution of VND967.31 billion comprised and represented 100% of the charter capital of BVFC. However, following the conditions imposed by the Vietnamese authorities, BVFC was required to increase its charter capital and Vinhomes had in March 2018 injected fresh capital contribution amounting to VND2,008.69 billion (equivalent to approximately RM352 million) into BVFC to fulfill the above requirement which accordingly resulted in a dilution of BLCL's holding in the charter capital of BVFC to 32.5%.

In conjunction with the Proposed BVFC Disposal, Vinhomes and its affiliates are also being considered as potential purchasers of Berjaya Vietnam International University Town One Member Limited Liability Company ("BVIUT") and have in December 2017 also injected a cash sum of VND11,904 billion as fresh capital contribution into BVIUT in order to meet certain similar conditions imposed by the Vietnamese authorities which require BVIUT to increase its charter capital to VND12,000 billion.

Accordingly, BLCL's initial stake in BVIUT has also been diluted from 100% to 0.8%. It is the intention of BLCL to dispose of its 0.8% stake in BVIUT in the near future ("Proposed BVIUT Disposal").

(b) BCity Project Legal Proceedings

Reference is made to Note B7(a).

On 10 November 2017, the Company announced that further to the legal proceedings instituted by the Company, BTSB and BCity (the "Applicants") in March 2016 against the (1) Selangor State Government, (2) MDHS, (3) Majlis Daerah Kuala Selangor, (4) Pengarah Pejabat Tanah & Galian Negeri Selangor, (5) Pengarah Jabatan Perancangan Bandar dan Desa Negeri Selangor, (6) Pengarah Jabatan Kerja Raya Negeri Selangor, (7) Pengarah Jabatan Alam Sekitar Negeri Selangor and (8) Pengarah Jabatan Geosains Negeri Selangor (the "Respondents") by way of an application for judicial review in the Shah Alam High Court, the Shah Alam High Court had on 9 November 2017 decided on the judicial review in favour of the Applicants.

Further to the above, on 14 December 2017, the Company announced that the Selangor State Government and several other respondents ("the Appellants") have filed a Notice of Appeal to the Court of Appeal to appeal against the decision of the Shah Alam High Court made on 9 November 2017 ("Main Appeal").

The 1st and 5th Respondents have also applied to stay the ongoing proceedings in the Shah Alam High Court and the execution of the Shah Alam High Court judgement in the judicial review proceedings ("Stay of Proceedings Application"). The Applicants have applied to the Shah Alam High Court for an extension of time to submit the proposal papers to the the first and fifth respondents ("Extension of Time Application"). In addition, the Applicants have also filed an application for assessment of compensation pursuant to the aforesaid Shah Alam High Court judgement ("Assessment Proceedings").

The Court of Appeal has granted a stay of execution of the Shah Alam High Court judgement and the Assessment Proceedings pending the disposal of the Main Appeal at the Court of Appeal.

The hearing of the Selangor State Government's appeal at the Court of Appeal which was previously fixed on 24 October 2019 has been vacated by the Court of Appeal. The Court of Appeal will instead hear a motion by the Selangor State Government to adduce further evidence in this matter. The Court of Appeal has then fixed 22 November 2019 as case management date to fix the hearing date of the Main Appeal. On 22 November 2019, the Court of Appeal fixed the hearing date of the Main Appeal on 27 March 2020.

The hearing of the Selangor State Government's motion to adduce further evidence in the matter was dismissed by the Court of Appeal on 24 October 2019. The Appellants subsequently filed a motion for leave to appeal to the Federal Court against the decision of the Court of Appeal in dismissing the Appellants' motion to adduce further evidence (the "FC Leave Motion"). The Federal Court has fixed the hearing of the Appellants' application for leave to appeal on 13 April 2020.

The Appellants have also filed a stay application to stay the hearing of the Main Appeal pending disposal of the FC Leave Motion. This stay application is fixed for hearing on the same day as the hearing of the Main Appeal, that is on 27 March 2020. In the event that the stay is refused by the Court of Appeal, the hearing of the Main Appeal will proceed.

Due to the Movement Control Order (MCO) coming into effect on 18 March 2020, the hearings of the FC Leave Motion and the application for stay as well as the Main Appeal were postponed to 6 July 2020 and 2 July 2020 respectively. A case management date for the Main Appeal was also fixed for 9 July 2020 by the Court of Appeal.

Subsequently, the State Government has withdrawn both the FC Leave Motion and the stay application at the Court of Appeal on 19 June 2020 and 2 July 2020 respectively. The hearing of the Main Appeal by the Court of Appeal was initially fixed on 14 December 2020. However, the Court of Appeal had postponed the hearing date of the Main Appeal to 29 June 2021. The implementation of FMCO beginning 1 June 2021 further postponed the hearing date to 27 September 2021. On 27 September 2021, the Court of Appeal postponed the hearing to 3 November 2021.

The Main Appeal was heard by the Court of Appeal on 3 November 2021.

The Court of Appeal allowed the appeal of the Appellants and set aside the decision of the Shah Alam High Court rendered on 9 November 2017.

The Applicants do not agree with the decision of the Court of Appeal and filed a motion for leave to appeal to the Federal Court to set aside the decision of the Court of Appeal and restore the decision of the Shah Alam High Court of 9 November 2017 ("Motion for Leave").

With respect to the Assessment Proceedings and Extension of Time Application, the Shah Alam High Court had fixed a further case management date on 25 November 2021 for the Applicants to update the Shah Alam High Court as to their next course of action following the Court of Appeal's decision of 3 November 2021.

The case management date at the Shah Alam High Court was subsequently rescheduled to 8 December 2021 at which the Shah Alam High Court directed that in light of the Court of Appeal's decision, there are no further proceedings on both the Assessment Proceedings and the Extension of Time Application at the Shah Alam High Court. Hence, there is no basis for the applications to be kept in abeyance at the Shah Alam High Court. The Court then struck out both the Assessment Proceedings and the Extension of Time Application with no order as to costs.

The initial hearing date to hear the Motion for Leave at the Federal Court fixed on 2 August 2022 was postponed to a later date to be fixed by the Federal Court. At the case management on 3 October 2022, the Federal Court has fixed 12 January 2023 to hear the Motion for Leave. On 12 January 2023, the Federal Court postponed the hearing to 12 April 2023.

At the hearing on 12 April 2023, the Federal Court has granted the Applicants leave for appeal at the Federal Court. The e-hearing date to hear the Applicants' appeal before the Federal Court ("Federal Court Appeal") has been fixed on 30 October 2023.

On 30 October 2023, at the hearing of the Applicants leave for appeal at the Federal Court, the Federal Court decided the appeal in favour of the Company, BTSB and BCity (collectively referred to as the "FC Appellants").

In a unanimous decision, the Federal Court allowed the FC Appellants' appeal against the Selangor State Government and Pengarah Jabatan Perancangan Bandar Dan Desa Negeri Selangor (collectively referred to as the FC Respondents") with costs of RM80,000 and set aside the Court of Appeal order dated 3 November 2021 and reinstated certain orders made by the Shah Alam High Court in its decision of 9 November 2017, including the following:

- 3 an inquiry into such compensation as aforesaid to be conducted by the High Court Judge in Chambers;

- 5 the costs of RM80,000 payable by the FC Respondents to the FC Appellants be reserved until after the hearing and determination of the quantum of compensation.

(c) Amat Muhibah Tax Dispute

On 16 June 2021, the Inland Revenue Board of Malaysia ("IRB") issued Notice of Assessment ("Form J") in accordance with Sections 4(c) and 4(f) of the Income Tax Act 1967 ("ITA 1967") to Amat Muhibah Sdn Bhd ("AMSB"), a 52.6% subsidiary company of the Company, on gains from the surrender of certain assets to authorities for the Year of Assessment (YA) 2017. The amount of additional tax assessed, inclusive of tax penalties amounted to RM66.44 million ("Tax in Dispute"). Previously, the gains were brought to tax under Section 4(a) of the ITA 1967 by AMSB.

AMSB did not agree with the basis applied by the IRB and has filed an official appeal against the additional assessment for YA2017 through submission of the prescribed Form Q to the Special Commissioners of Income Tax ("SCIT"). SCIT has fixed the trial on 25 March 2024 and 26 March 2024.

On 5 January 2024, AMSB wrote to SCIT to apply for the trial fixed on 25 and 26 March 2024 to be vacated, in view of the ongoing MOF Judicial Review before the High Court.

SCIT allowed AMSB's application to vacate the trial fixed on 25 and 26 March 2024 vide its letter dated 10 January 2024 and also fixed the next case management on 8 February 2024.

On 8 February 2024, AMSB informed SCIT that the Court of Appeal has fixed a hearing for AGC Leave Appeal on 21 May 2024. In this regard, SCIT instructed both parties to attend mention on 29 May 2024 to update the SCIT on the outcome of the AGC Leave Appeal.

On 1 July 2021, AMSB wrote to the Ministry of Finance Malaysia ("MOF"), requesting MOF:

- (a) to give a general character direction to Director General of Inland Revenue ("DGIR") as to the exercise of the functions of the DGIR under Section 135 of the ITA 1967 and for the DGIR to give effect to the direction so given; or
- (b) to grant an exemption under Section 127(3A) of the ITA 1967 with regards to Tax in Dispute, within the week.

As MOF did not respond to AMSB's request, AMSB has filed an application to the High Court of Kuala Lumpur ("High Court") for judicial review against MOF on 8 July 2021 ("MOF Judicial Review"). The High Court fixed 15 September 2021 for the first hearing of the MOF Judicial Review. AMSB has also been granted an interim stay on the payment of the Tax in Dispute until 15 September 2021. Subsequently, the hearing date has been rescheduled to 25 July 2022 and an interim stay has been granted till then. At the hearing on 25 July 2022, the High Court granted leave for AMSB's application of judicial review and a stay until the full and final determination of the judicial review application.

On 8 August 2022, IRB informed the High Court that it has filed an application to intervene ("IRB Application to Intervene"). At a hearing on 2 February 2023, the High Court had allowed IRB Application to Intervene.

On 11 October 2022, the Attorney General Chambers informed the High Court that it had filed an appeal at the Court of Appeal against the High Court's decision to grant leave for the MOF Judicial Review ("AGC Appeal").

At 26 July 2023, the Court of Appeal allowed MOF's request to consolidate the AGC Leave Appeal with 22 other appeals.

The hearing for AGC Leave Appeal was held on 21 May 2024 at the Court of Appeal. Subsequently, the Court of Appeal fixed 6 September 2024 as the date for the decision.

As for the MOF Judicial Review, the High Court was informed of the decision date of the AGC Leave Appeal fixed by the Court of Appeal. The High Court then instructed both parties to attend case management on 11 September 2024 to update the High Court on the outcome of the AGC Leave Appeal.

Based on the opinion obtained from its legal advisors, AMSB has an arguable case that the IRB has no legal and factual basis to raise the Tax in Dispute.
