SEAL INCORPORATED BERHAD AND ITS SUBSIDIARY COMPANIES QUARTERLY REPORT ON CONSOLIDATED RESULTS FOR THE FINANCIAL PERIOD ENDED 31 MARCH 2008

NOTES TO THE INTERIM FINANCIAL REPORT

1 Basis of Preparation

The interim financial statements are unaudited and have been prepared in accordance with the requirements of FRS 134, Interim Financial Reporting and paragraph 9.22 of the Listing Requirements of Bursa Malaysia Securities Berhad.

The interim financial statements should be read in conjunction with the audited financial statements of the Group for the financial year ended 30 June 2007. These explanatory notes attached to the interim financial statements provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the Group since the financial year ended 30 June 2007.

2 Changes in Accounting Policies

The significant accounting policies adopted by the Group in the interim financial statements are consistent with those adopted in the financial statements for the financial year ended 30 June 2007 except for the adoption of new/revised Financial Reporting Standards ("FRS") that are effective as stated below:

Effective for

FRS		financial periods beginning on or after
FRS 107	Cash Flow Statements	01 July 2007
FRS 111	Construction Contracts	01 July 2007
FRS 112	Income Taxes	01 July 2007
FRS 117	Leases	01 October 2006
FRS 118	Revenue	01 July 2007
Amendment to FRS119 ₂₀₀₄	Employee Benefits-Actuarial Gains and Losses, Group Plans and Disclosures	01 January 2007
FRS 124	Related Party Disclosures	01 October 2006
FRS 134	Interim Financial Reporting	01 July 2007
FRS 137	Provision, Contingent Liabilities and Contingent Assets	01 July 2007

The adoption of these FRSs does not have significant financial impact on the Group other than the change discussed below:

FRS 117: Leases

The adoption of FRS 117 has resulted in a change in accounting policy relating to the classification of leasehold land. The lease of land and building are classified as operating or finance lease in the same way as leases of other assets. The land and building elements of a lease of land and building are considered separately for the purposes of lease classification. The up-front payments made represent prepaid lease payments and amortised on a straightline basis over the lease term.

In prior year, leasehold land for own use was classified as property, plant and equipment and was stated at valuation less accumulated depreciation and impairment losses, if any. Upon adoption of FRS 117, this leasehold land is now classified as operating lease and the unamortised carrying amount is retained as the surrogate carrying amount of prepaid lease payment as allowed by the transitional provisions.

The classification of leasehold land as prepaid lease payment has been accounted for retrospectively and comparative amounts as at 30 June 2007 have been restated as follows:

As at 30 June 2007	Previously stated RM'000	Adoption of FRS 117 RM'000	Restated RM'000
Property, plant and equipment	6,402	(1,807)	4,595
Prepaid lease payment		1,807	1,807
