A2 Auditors' Report on preceding Annual Financial Statements

The Auditors' Report on the preceding Annual Financial Statements of the Company for the financial year ended 31 March 2018 was subjected to audit qualification as follows:

Qualified Opinion

In our opinion, except for the effects of the matters described in the Basis for Qualified Opinion paragraph, the financial statements give a true and fair view of the financial position of the Group and of the Company as at 31 March 2018, and of their financial performance and cash flows for the financial year then ended in accordance with the Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia.

Basis for Qualified Opinion

(a) As stated in Note 15(a) to the financial statements, the Group continued to classify its other investment as non-current asset classified as held for sale. We were unable to obtain sufficient

[#] Amendments as to the consequence of effective of MFRS 17 Insurance Contracts.

TURIYA BERHAD (55576-A)

(Incorporated in Malaysia)

and appropriate audit evidence that the sale is highly probable in accordance with MFRS 5 – Non-Current Assets Held for Sale and Discontinued Operations in order for the Group to continue to classify the said investment as non-current asset held for sale.

(b) As stated in Note 15 to the financial statements, the Group has assessed and is of the opinion that there is no impairment loss on the non-current assets classified as held for sale. We were unable to obtain sufficient and appropriate audit evidence that the present value of estimated future cash flows is higher than the carrying amount of the asset. We are unable to quantify the financial impact, if any, had an impairment loss been recognised.

A3 Seasonal or cyclical factors

The Group's results for the current reporting quarter were not materially affected by any seasonal or cyclical factors.

A4 Unusual items due to their nature, size or incidence

There were no unusual items affecting assets, liabilities, equity, net income, or cash flow during the current quarter under review.

A5 Changes in estimates

There were no material changes in estimates of amounts reported in prior interim periods of the current financial period or in prior financial years that have a material effect in the current quarter under review.

A6 Debt and equity securities

There were no issuance, cancellation, repurchase, resale and repayment of debt and equity securities during the current reporting quarter under review.

A7 Dividend paid

There were no dividends paid during the quarter ended 31 December 2018.

A9 Operating Segments (cont'd)

Performance analysis of current period by activity for quarter ended 31 December 2018

a) Investment holdings:

No external revenue was earned in the current quarter. The higher profit in the current quarter as compared to the preceding year corresponding quarter was due to the gain from the transfer of a subsidiary to Turiya Berhad and the reversal of cumulative loss of a subsidiary as a result of its winding up. This inter company transaction was eliminated at group level.

b) Investment property:

The higher revenue in the current quarter as compared to the preceding year corresponding quarter was mainly due to the addition of one tenant. The profit in the current quarter as compared to the loss in the preceding year corresponding quarter was mainly due to the increase in the revenue in the current quarter and lower cost in managing the property.

c) Semi Conductor:

The higher revenue in the current quarter as compared to the revenue in the preceding year corresponding quarter was mainly due to increase in revenue from the electroplating business. The high loss in the current quarter as compared to the preceding year corresponding quarter is due to write off of the amount due from Turiya Technologies Pte Ltd which is being wound up.

d) Health Care:

There was no revenue recorded due to the cessation of management fees paid by Johns Hopkins International. The subsidiary in the United States of America was dissolved in December 2018.

The expenses taken up in this quarter were mainly administrative expenses incurred by the subsidiary in the United States of America.

<u>Performance analysis of current quarter by geographical / location for quarter ended 31 December 2018</u>

a) Malaysia:

The higher revenue in the current quarter as compared to the preceding year corresponding quarter was mainly due to the addition of one tenant. The higher profit in the current quarter as compared to the preceding year corresponding quarter was due to the gain from the transfer of a subsidiary to Turiya Berhad and the reversal of cumulative loss of a subsidiary as a result of its winding up. This inter company transaction was eliminated at group level.

b) Singapore:

The higher revenue in the current quarter as compared to the revenue in the preceding year corresponding quarter was mainly due to increase in revenue from the electroplating business. The higher loss in the current quarter as compared to the preceding year corresponding quarter is due to write off of the amount due from Turiya Technologies Pte Ltd which is being wound up.

c) US:

No revenue is recorded due to cessation of management fee income from Johns Hopkins International. The subsidiary in the United States of America was dissolved in December 2018.

The expenses taken up in current quarter were mainly administrative expenses incurred by the subsidiary in the United States of America.

A10 Subsequent events

Share Sale Agreement with Chase Perdana Sdn. Bhd.("CPSB")

On 19 July 2017, the Company entered into a Share Sale Agreement with CPSB to dispose of its 2.08% equity interest in Academic Medical Centre Sdn. Bhd.("AMC") for RM12,500,000. The 30% initial payment under the agreement amounting to RM3,750,000 was due on 17th August 2017.

On 16 August 2017, CPSB has requested for the deferment of 30% initial payment amounting to RM3,750,000 for 30 days with interest at 8.08 percentum per annum for the deferment period. After due consideration, the proposal was duly accepted by the Management and Board of Directors of the Company and the said outstanding amount together with interest was payable on 15th September 2017.

On 12th September 2017, CPSB requested for deferment of the said initial payment and the 1st instalment of the remaining balance to 1st November 2017.

On 1st November 2017, CPSB requested for the deferment on and before 31st December 2017. The Management and Board of Directors of the Company approved the request after due request.

On 20th December 2017, a Special Board of Directors' Meeting was held as CPSB has yet to make payment as part of the Agreement amounts to RM12,500,000 with interest. After some deliberation, the Board has agreed that the outstanding debts of RM2,500,000 will be utilised to set off part of the 30% initial payment. Further, the Board has approved on CPSB request for further extension of 120 days up to 31 March 2018 to make payment on the remaining 30% initial payment together with all the instalment payments and interest in arrears at the date.

The investment is being classified as held for sale until the fulfillment of the condition precedents in the agreement.

Since the sale was made to mitigate the cash flow due to the reduction in rental income, the Board has proposed to grant the Purchaser twelve months from 1st June 2018 to pay by monthly installments of not more than RM100,000 each installment towards the purchase price. Upon full payment of the 30% deposit and accrued interest, action will be taken to comply with the condition precedent as in the agreement.

The Purchaser has paid the 30% initial payment of RM3,750,000. The condition precedents for the appointment of an independent advisor and calling of Extraordinary General Meeting ("EGM") have been met and the Board is proceeding to act accordingly.
