The Group achieved lower revenue of RM17.5 million for the current quarter ended 31 March 2021, compared to the previous year's corresponding quarter of RM75.2 million. The decrease was mainly due to the lower revenue recognised from the Construction division, including from the Vietnam EPC construction works as it had almost reached the tail end of the project. There is no recognition of revenue from the Vietnam EPC construction works in the current quarter as compared to RM36.2 million recognised in the previous year's corresponding quarter.

REGISTRATION NO. 200201017985 (585648-T)

B. ADDITIONAL INFORMATION ON INTERIM FINANCIAL REPORT REQUIRED BY THE BURSA SECURITIES LISTING REQUIREMENTS (Cont'd)

The Group recorded a profit before tax of RM15.3 million in the current year first quarter as compared to a loss before tax of RM16.8 million in the preceding year's corresponding quarter. The higher profit before tax for the current quarter was mainly due to the RM29.8 million share of 30% profit in JAKS Hai Duong Power Company Limited ("JHDP") following the commencement of commercial operation ("COD").

The Construction division contributed a lower revenue of RM15.6 million (Q1 2020: RM75.6 million) and incurred a loss before tax of RM4.3 million (Q1 2020: profit before tax RM6.5 million) in the current quarter under review, in the absence of contribution from the Vietnam EPC construction works for the quarter. The local construction works has also been adversely affected by the COVID-19 pandemic and various MCO measures resulting in work interruptions, delays, additional MCO related costs, supply chain disruption as well as shortage of labour and materials.

The Property Development & Investment division contributed RM1.9 million in revenue as compared to a negative revenue of RM0.5 million in the previous year's corresponding quarter (after provision for liquidated ascertained damages). This division recorded a lower loss before tax of RM9.9 million as compared to a loss before tax of RM18.7 million in the first quarter of 2020 following the disposal of its loss making Property Development subsidiary in the third quarter of 2020.

The Investment Holding & Others division recorded a higher profit before tax of RM29.6 million in the quarter under review as compared to a loss before tax of RM4.6 million incurred in the preceding year's corresponding quarter. The higher profit before tax on this division was mainly from the share of profit in JHDP.

2. Variation of Results against Preceding Period.

Despite the lower revenue, the Group recorded a profit before tax of RM15.3 million in the current quarter compared to a loss before tax of RM183.5 million in the preceding quarter ended 31 December 2020. The current quarter profit before tax was mainly from the RM29.8 million share of profit in JHDP as mentioned in the foregoing.

3. Prospects

The prospects of economic recovery is undoubtedly largely dependent on the abatement of the COVID-19 pandemic and the "on-off" paralysis effects of the prolonged Movement Control Orders ("MCO"). Towards this, timely vaccination roll-out is the key to achieve herd immunity and hence to curb the disease.

The Group will continue to focus on its Power & Energy division, particularly in execution of its latest large scale solar photovoltaic plants ("LSS4") renewable energy project. At the same time the JAKS Hai Duong Power Plant in Vietnam has already achieved Commercial Operations ("COD") and has started to provide steady recurring income to the Group.

On the Construction division, construction works for the Vietnam EPC project is nearing tail end with the completion/COD of the JAKS Hai Duong Power Plant whilst most local construction projects are also at advanced stages of completion. The Group is selectively bidding and/ or negotiating for new construction projects by targeting higher margin projects to replenish its order book for the local construction division.

The outlook for the Group's investment properties remains challenging following the reinstatement of MCO in January 2021 in the Klang Valley on the back of resurgence of COVID-19 transmission. The uncertainties surrounding the roll-out of vaccine and prolonged restrictive movements are expected to further delay the recovery for the Evolve Concept Mall in Ara Damansara, Selangor and the Pacific Towers Business Hub in Section 13, Petaling Jaya, Selangor. Nevertheless, the Group is consistently exploring various options and initiatives to revamp and rejuvenate the Mall and Business Hub to improve its occupancy rate and rental yield.

Barring any unforeseen circumstances, the Group is cautiously optimistic of the future prospects.

4. Profit Forecast / Guarantee.

The Company did not issue any profit forecast or guarantees.

	Ended	Ended

The tax provision was based on the estimated taxable amount. The tax charge of the Group is mainly from profitable subsidiaries' taxation, and for tax purposes, cannot be utilised to set off against losses of other companies within the Group. The effective tax rate was lower as most of the Group's profit generated were derived from the Vietnam operations with low tax rate of 1% to 2%.

6. Group Borrowings.

Group borrowings as at 31 March 2021 including interest denominated in Ringgit Malaysia are as follows: -

8. Material Litigation.

(a) Star Media Group Berhad ("STAR") Claim

The Star Media Group Berhad ("STAR") had on 30 April 2019 served a Writ of Summons and Statement of Claims against the Company claiming that the Company as corporate guarantor to JAKS Island Circle Sdn Bhd ("JIC") is liable for JIC's purported default of obligations under the Sale and Purchase Agreement ("SPA") dated 19 August 2011 executed by STAR with JIC. The claim is for specific relief and damages for the total amount of RM177.7 million. On 27 May 2019, the Company also filed its Defence and Counterclaim.

On 1 August 2019, STAR had filed an application pursuant to Order 14A, Order 18 and Order 81 of the Rules of Court 2012 ("ROC") to have their claim decided based on question of law and/or construction of orders and grounds of judgement which they have previously obtained.

On 7 August 2020, the Company announced that the High Court has allowed STAR's application in part and ruled that the Company is to pay damages to STAR, being late payment interest at the rate of 8% per annum on the Balance Purchase Price of RM134,500,000 from 25 October 2015 to 6 July 2020.

The Company was further advised by its solicitors that in delivering the High Court's decision: -

- 1. the High Court did not allow STAR's claim for payment of RM134,500,000 being the Balance Purchase Price;
- 2. the High Court was of the view that delivery of the STAR's entitlement as defined in the Sale and Purchase Agreement dated 19 August 2011, had occurred on 6 July 2020;
- 3. the High Court did not allow any late payment interest on the Balance Purchase Price thereafter from 6 July 2020
- 4. STAR's claim and the Company's counterclaim had been disposed by the High Court.

Accordingly, the Company's counterclaim was struck out.

The Company filed for an appeal to the Court of Appeal against the decision of the High Court on 7 August 2020. Similarly, STAR also appealed to the Court of Appeal against the decision of the High Court on 7 August 2020. Upon counsel's advice, the parties have agreed for both appeals to be heard on 27 July 2021.

Similarly, STAR had filed an application pursuant to Order 14A and Order 18 Rule 19 of the ROC to have Company's claim decided based on question of law and/or construction of orders and grounds of judgement which they have previously obtained.

On 28 September 2020, the High Court dismissed the application filed by STAR. STAR had appealed against the decision dated 28 September 2020.

By consensus of the parties, the appeal will be heard together with the two appeal(s) lodged by the Company and Star against the decision of the High Court dated 7 August 2020 on 27 July 2021.

On 16 April 2021, the Company has filed a Notice of Motion at the Court of Appeal for a Stay of Execution of the Order granted by the High Court on 7 August 2020 following the dismissal of the Company's application for a stay of execution of the similar order at the High Court on 24 March 2021.
