Quarterly Performance Review

Revenue of the Group for the fourth financial quarter ended 31 May 2021 increased to RM123.32 million from RM87.80 million reported in the preceding corresponding financial quarter mainly due to higher volume on soap manufacturing and trading of fuel oil.

In tandem with the higher soap manufacturing and trading of fuel oil volume, cost of sales of the Group for the current quarter increased to RM121.18 million from RM86.89 million in the preceding corresponding quarter.

The impact of Covid-19 pandemic on the travel and tourism industry in Malaysia and globally has materially disrupted the Group's integrated hotel operations and property investment segment activities during the current quarter.

Overall, the Group reported a profit before taxation for the current quarter of RM0.61 million as compared to a loss before taxation of RM0.54 million in the preceding corresponding quarter mainly due to higher volume on soap manufacturing and trading of fuel oil.

B1. Review Of Performance (con't): -

Segment Performance Review

Manufacturing segment

For the twelve months ended 31 May 2021, revenue increased by 21.86% from RM29.37 million to RM35.79 million while segment loss decreased from RM2.04 million to RM1.47 million mainly due to higher volume of soap manufacturing.

Trading segment

For the twelve months ended 31 May 2021, revenue increased by 47.76% from RM247.99 million to RM366.42 million while segment profit increased from RM1.44 million to RM2.96 million mainly due to higher fuel oil volume.

Integrated hotel operations and property investment segment

For the twelve months ended 31 May 2021, revenue decreased by 51.46% to RM2.66 million from RM5.48 million, and correspondingly segment loss increased from RM0.25 million to RM1.57 million mainly due to Covid-19 impact.

B2. Variation Of Current Quarter Results Compared With The Preceding Quarter

Revenue for the current quarter was RM123.32 million compared to RM113.48 million recorded in the immediate preceding quarter.

The Group's profit before taxation for the current quarter was RM0.61 million compared to the loss before taxation of RM0.41 million for the preceding quarter.

B3. Current Year Prospects

Current economic situation continues to present challenging business conditions for the Group. Higher operational costs in terms of rising cost of wages, utilities, other operational expenses and also fluctuations in foreign currency exchange rates remain as main challenges for the Group.

Efforts will continuously be made in improving the performance of the respective segments.

The Covid-19 pandemic has resulted in significant levels of uncertainty across the Malaysian as well as the global economy. The Group will continue to monitor the development of Covid-19 pandemic and mitigate against any potential impact on the financial position and operating results of the Group.

The Board of Directors believes that the performance of the Group for the financial year 2021/2022 will be uncertain in view of the current economic conditions.

Notwithstanding the above, the Group will remain resilient and vigilant in addressing these uncertainties in its' business activities moving forward.

B4. Variance of Actual Profit from Profit Forecast or Profit Guarantee

Not applicable to the Group as there was no profit forecast or profit guarantee.
