A. EXPLANATORY NOTES PURSUANT TO MFRS 134

1. (a) Basis of preparation

The financial statements of the Group have been prepared under the historical cost convention and modified to include other bases of valuation as disclosed in other sections under significant accounting policies, and comply with Malaysian Financial Reporting Standards (MFRSs), International Financial Reporting Standards (IFRSs) and the Companies Act 2016 in Malaysia.

In the previous financial years, the financial statements of the Group were prepared in accordance with Financial Reporting Standards ("FRS") in Malaysia. The transition to MFRSs does not have financial impact to the financial statements of the Group.

The financial statements are reported in Ringgit Malaysia, which is the Group's functional currency.

(b) Statement of compliance

The following are accounting standards, amendments and interpretations of the MFRS framework that have been issued by the Malaysian Accounting Standards Board ("MASB") but have not been adopted by the Group:

MFRSs, Interpretations and amendments effective for annual periods beginning on or after 1 January 2020

- Amendments to MFRS 3, Business Combinations Definition of Business
- Amendments to MFRS 101, Presentation of Financial Statements and MFRS 108, Accounting Policies, Changes in Accounting Estimates and Errors – Definition of Material
- Amendments to References to the Conceptual Framework in MFRS Standards

MFRSs, Interpretations and amendments effective for annual periods beginning on or after 1 January 2021

MFRS 17, Insurance Contracts

MFRSs, Interpretations and amendments effective for a date yet to be confirmed

Amendments to MFRS 10, Consolidated Financial Statements and MFRS 128
 Investments in Associates and Joint Ventures – Sale or Contribution of Assets between an Investor and its Associate or Joint Venture

The Group plans to apply the abovementioned standards, amendments and interpretations in the respective financial years when the above standards, amendments and interpretations become effective.

The initial application of the accounting standards, amendments and interpretations are not expected to have any material financial impacts to the current and prior period financial statements of the Group upon their first adoption.

17. COMMENTARY ON PROSPECTS

In line with the Group's aspirations to provide quality housing, the Group plans to continue developing residential and commercial properties in Johor Bahru, Segamat, Kluang and Muar in the state of Johor. The Group will continue to build wide range of premium quality products, ranging from deluxe residences with top-class finishes and facilities to small-to-medium sized units with practical and efficient layouts. These developments are anticipated to further strengthen the Group's foothold in landed properties'market in the state of Johor.

The Group has land held for current and future development which are strategically located in the District of Johor Bahru, Batu Pahat, Kluang, Segamat, Muar, Mersing, Klang and Kuala Lumpur. Most of these properties are available for immediate development as they have been granted approval for subdivision. These will help the Group to sustain its medium to long term development and profitability.

Most of the total land held in Johor, are located in the high growth Iskandar Development Region. More investment is expected to come from Singapore to the Iskandar Development Region. The Group is expected to benefit from the effect in view of its strong brand name in the Johor property market as most of its flagship projects are located in the Iskandar Development Region.

Besides, the Group is in the midst of developing the land held in Klang and is expected to anticipate a gross development value of RM10 billion with ten (10) main development phases. The site is strategically located along Jalan Klang-Banting and is 15 minute drive from the Klang town centre. This mixed development project is expected to entail thousands of units of residential and commercial properties.

Above all, the Group is committed to operational efficiency enhancement and good risk management and corporate governance practices. Strategic initiatives are in motion to improve pricing and marketing strategies as well as product development and innovation, reduce operational costs, improve cash flow and ensure better returns moving forward, across all operational divisions. Internal support system is continuously monitored and improved to provide the efficiency and effectiveness necessary to deliver consistent performance.
