A13 Changes in Contingent Liabilities

Contingent liabilities of the Group as at 23 Jun 2020 (being the latest practicable date which is not earlier than 7 days from the date of this interim financial report) are as follows:-

Based on the FFA, the Government is entitled to issue Default Notice specifying the relevant default event and requesting TSROP to remedy the default within a period specified in the Default Notice. Otherwise, the Government has the right to terminate the FFA with immediate effect and require TSROP to refund all grant disbursed earlier which amounted to approximately RM24,082,000.

Notes to the Interim Financial Report

For the current quarter, the Group reported a lower revenue of RM30.5 million and higher profit before taxation of RM796,000 as compared with the revenue of RM41.4 million and profit before taxation of RM521,000 in the previous corresponding quarter.

The decrease of revenue in the current quarter, which is 26% lower than previous corresponding quarter, is mainly attributable to the lower construction activities. The lower revenue of construction segment was mainly due to several existing projects are progressing at their completion phase, as such their revenue contribution during the current quarter had been relatively low.

B2 Comparison With Immediate Preceding Quarter's Results

The Group registered a Profit Before Taxation of approximately 3% in the current quarter which is on par with the Profit Before Taxation of 3% reported in the immediate preceding quarter.

B3 Prospects for the Current Financial Year

The outbreak of Coronavirus disease ("COVID-19") coupled with the implementation of the nationwide Movement Control Order have inevitably disrupted the Group's businesses.
