1. Basis of preparation (Cont'd)

The basis for the preparation of the financial statements of the Group is therefore dependent upon the successful implementation of the proposed restructuring scheme, profitable operations of the Group to generate sufficient cash in the future to fulfil their obligations as and when they fall due and financial support from the lenders and shareholders.

The Directors are of the opinion that the Group will be able to operate profitably in the foreseeable future, and obtain continuing financial support from the lenders and shareholders and therefore continue as a going concern and accordingly, realise their assets and discharge their liabilities in the normal course of business.

1. Basis of preparation (Cont'd)

The above accounting standards and interpretations (including the consequential amendments) are not relevant to the Group operations except as follows:-

(i) MFRS 9 Financial Instruments

MFRS 9 (IFRS 9 issued by IASB in July 2014) replaces the existing guidance in MFRS 139 and introduces a revised guidance on the classification and measurement of financial instruments, including a single forward-looking 'expected loss' impairment model for calculating impairment on financial assets, and a new approach to hedge accounting. Under this MFRS 9, the classification of financial assets is driven by cash flow characteristics and the business model in which a financial asset is held. The Group is currently assessing the financial impact of adopting MFRS 9.

(ii) MFRS 15 Revenue from Contracts with Customers

MFRS 15 establishes a single comprehensive model for revenue recognition and will supersede the current revenue recognition guidance and other related interpretations when it becomes effective. Under MFRS 15, an entity shall recognise revenue when (or as) a performance obligation is satisfied, i.e. when 'control' of the distinct promised goods or services underlying the particular performance obligation is transferred to the customers. The amendments to MFRS 15 further clarify the concept of "distinct" for the purpose of this accounting standard. In addition, extensive disclosures are also required by MFRS 15. The Group anticipates that the application of MFRS 15 in the future may have a material impact on the amounts reported and disclosures made in the financial statements. However, it is not practicable to provide a reasonable estimate of the financial impacts of MFRS 15 until the Group performs a detailed review.

23. Material Litigation (Cont'd)

Given the on-going litigation proceeding, the Company did not pay the said outstanding sum during the Notice Period leading to the Petitioner serving the winding up petition on the Company.

The winding-up petition will not have any additional financial and operational impact on the Kinsteel group. Except for the amount claimed and legal fees and disbursements involved to dismiss or strike out the winding-up petition and setting aside the default judgment, the Company is not expected to incur any further losses from the winding-up petition.

The Company has sought legal advice on the matter. The company's solicitors are of the opinion that the winding-up petition is premature as the Petitioner's claim was substantiated through a default judgment wrongly entered and the matter is the subject of litigation proceeding currently on-going. The petition is henceforth premature, frivolous, vexatious and an abuse of the process of the Court.

On 29 August 2016, the Notice of Application and Affidavit in Support to reinstate the Notice of Application to set aside the Judgement in Default of 31 May 2016 have been filed and sealed at the High Court of Malaya, Kuantan. Kinsteel's solicitors will proceed to serve the copies of the application to the Petitioner thereafter.

Kinsteel's application to reinstate the application to set aside the Judgment in Default of 31 May 2016 is fixed for Hearing on 5 September 2016.

On 6 September 2016, the Kinsteel's solicitors have served the Notice of Application and Affidavit in Support to reinstate the Notice of Application to set aside the Judgement in Default of 31 May 2016 on the Petitioner's solicitors.

The winding up petition have been withdrawn and Kinsteel's solicitors have received the sealed copy of the withdrawal order on 2 December 2016.

Except for the above claim, as at 22 November 2016, neither our Company nor any of our subsidiaries is engaged in any additional material litigation and arbitration either as plaintiff or defendant, save and except those that have been disclosed previously, which has a material effect on the financial position of our Company or our subsidiaries and our Directors are not aware of any proceedings pending or threatened or of any facts likely to give rise to any proceedings which might materially and adversely affect the financial position or business of our Company or our subsidiaries.
