EXPLANATORY NOTES PURSUANT TO MFRS 134 AND BURSA MALAYSIA LISTING REQUIREMENTS CHAPTER 9, APPENDIX 9B, PART A

1 CORPORATE INFORMATION

Ornapaper Berhad is a public listed liability company incorporated and domiciled in Malaysia, and is listed on Bursa Malaysia Securities Berhad.

These condensed consolidated interim financial statements were approved by the Board of Directors on 25 Oct 2012.

2 FIRST-TIME ADOPTION OF MALAYSIA FINANCIAL REPORTING STANDARDS ("MFRS")

These condensed consolidated interim financial statements, for the period ended 30 Sep 2012, have been prepared in accordance with MFRS 134 Interim Financial Reporting and paragraph 9.22 of the Listing Requirements of Bursa Malaysia Securities Berhad. These condensed consolidated interim financial statements also comply with IAS 34 Interim Financial Reporting issued by the International Accounting Standards Board. For the periods up to and including the year ended 31 December 2011, the Group prepared its financial statements in accordance with Financial Reporting Standards ("FRS").

The consolidated financial statements of the Group for the year ended 31 December 2011 which were prepared under FRS are available upon request from the company registered office at Lot 1A, 6th Floor, Menara Pertam, Jalan BBP 2, Taman Batu Berendam Putra, 75350 Batu Berendam, Melaka.

These condensed consolidated interim financial statements are the Group's first MFRS condensed consolidated interim financial statements for part of the period covered by the Group's first MFRS annual financial statements for the year ending 31 December 2012. MFRS 1 First-Time Adoption of Malaysian Financial Reporting Standards ("MFRS 1") has been applied.

The explanatory notes attached to these condensed consolidated interim financial statements provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the Group since the year ended 31 December 2011.

In preparing its opening MFRS Statement of Financial Position as at 1 January 2011 (which is also the date of transition), no adjustments were required to be made to the amounts previously reported in Group's FRS financial statements. The transition from FRS to MFRS has no impact on the Group's financial position, financial performance and cash flows for the periods so presented.

3 SIGNIFICANT ACCOUNTING POLICIES AND APPLICATION OF MFRS 1

The audited financial statements of the Group for the year ended 31 December 2011 were prepared in accordance with FRS. Except for certain differences, the requirements under FRS and MFRS are similar. The significant accounting policies adopted in preparing these condensed consolidated interim financial statements are consistent with those of the audited financial statements for the year ended 31 December 2011 except as discussed below:

(a) Business combination

MFRS 1 provides the option to apply MFRS 3 Business Combinations, prospectively from the date of transition or from a specific date prior to the date of transition. This provides relief from full retrospective application of MFRS 3 which would require restatement of all business combinations prior to the date of transition.

For a acquisition before date of transition, the Group has elected to apply MFRS 3 prospectively from the date of transition. In respect of acquisitions prior to the date of transition,

- (i) The classification of former business combinations under FRS is maintained;
- (ii) There is no re-measurement of original fair values determined at the time of business combination (date of acquisition); and
- (iii) The carrying amount of goodwill recognised under FRS is not adjusted.

(b) Property, plant and equipment

Upon transition to MFRS, the Group has elected to measure all its property, plant and equipment using the cost model under MFRS 116 Property, Plant and Equipment. At the date of transition to MFRS, the Group elected to regard the carrying amounts of all property, plant and equipment as at 31 December 2010 as deemed cost at 1 January 2011.

ORNAPAPER BERHAD (Company No.: 573695 W) (Incorporated in Malaysia)

(c) Estimates

The estimates at 1 January 2011 and at 31 December 2011 were consistent with those made for the same dates in accordance with FRS. The estimates used by the Group to present these amounts in accordance with MFRS reflect conditions at 1 January 2011, the date of transition to MFRS and as of 31 December 2011.

The reconciliations of equity and total comprehensive income for comparative periods and of equity at the date of transition reported under FRS to those reported for those periods and at the date of transition under MFRS are not provided as the transition from FRS to MFRS framework had no impact to the amounts so reported.

12 INTANGIBLE ASSETS - GOODWILL

Goodwill is tested for impairment annually (31 December) and when circumstances indicate that the carrying value may be impaired. The group's impairment test for goodwill is based on value-in-use calculations using cash flow projections from financial budgets approved by management covering a five-year period. The key assumptions used to determine the recoverable amount for the different cash generating units were discussed in the annual financial statements for the year ended 31 December 2011.

Management did not identify any impairment for the cash generating unit to which goodwill is allocated.

During the three months ended 30 Sep 2012, there were no write-down of inventories.

14 CASH AND CASH EQUIVALENTS

| Total cash and cash equivalents | 8,204 | 3,496 | 9,459 |

15 FAIR VALUE HIERARCHY

The Group uses the following hierarchy for determining the fair value of all financial instruments carried at fair value:

- Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2 Inputs that are based on observable market data, either directly or indirectly
- Level 3 Inputs that are not based on observable market data

As at the reporting date, the Group's investment securities that were measured at fair value are as follows:

| | Total | RM'000 | RM'000 | RM'000 |
|---------------|-------|--------|--------|--------|
| 30 Sep | | | | |
| Quoted shares | - | - | - | |
| | | | | |

| Quoted shares | - | - | - | |
| | | | | |
| 1 Jan 2011 | | | | |
| Quoted shares | 9 | 9 | - | |

No transfers between any levels of the fair value hierarchy took place during the current interim period and the comparative period. There were also no changes in the purpose of any financial asset that subsequently resulted in a different classification of that asset.

The Group does not hold credit enhancements or collateral to mitigate credit risk. The carrying amount of financial assets therefore represents the potential credit risk.
