## INTERIM FINANCIAL REPORT FOR THE FINANCIAL PERIOD ENDED 31 OCTOBER 2011

#### NOTES TO THE INTERIM FINANCIAL REPORT

Adoption of the above standards and interpretations did not result in any significant changes in accounting policies or presentation of the financial statements of the Group.

The Malaysian Accounting Standards Board (MASB) has on 19 November 2011 issued a new MASB approved accounting framework, the Malaysian Financial Reporting Standards (MFRS Framework). The MFRS Framework comprises Standards as issued by the International Accounting Standards Board (IASB) that are effective on 1 January 2012. It also comprises new/revised Standards recently issued by the IASB that will be effective after 1 January 2012 such as Standards on financial instruments, consolidation, joint arrangements, fair value measurement and employee benefits, amongst others. The Group will be required to prepare its first MFRS financial statements for the financial year ending 30 April 2013. Accordingly, the financial performance and financial position as disclosed in this interim financial report could be different if prepared under the MFRS framework. The Group is in the process of making an assessment of the impact of this new framework.

#### 3. Significant Accounting Estimates And Judgements

## (a) Critical Judgements Made in Applying Accounting Policies

There are no critical judgements made by management in the process of applying the Group's accounting policies that have significant effect on the amounts recognised in the financial statements.

#### (b) Key Sources of Estimation Uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the balance sheet date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

## (i) Deferred tax assets

Deferred tax assets are recognised for all unused tax losses, unabsorbed capital allowances and unused Reinvestment Allowance to the extent that it is probable that taxable profit will be available against which the losses, capital allowances and reinvestment allowance can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and level of future taxable profits together with future tax planning strategies. The total carrying value of unrecognised tax losses and capital allowances of the Group was RM5.481 million (30.4.2011: RM4.261 million).

(Company No. 384662-U) (Incorporated in Malaysia)

## INTERIM FINANCIAL REPORT FOR THE FINANCIAL PERIOD ENDED 31 OCTOBER 2011

## NOTES TO THE INTERIM FINANCIAL REPORT

## (ii) Depreciation of plant and equipment

The cost of paper making machinery is depreciated on a straight-line basis over the assets' useful lives. Management estimates the useful lives of these plant and machinery to be within ten years. These are common life expectancies applied in the industry. Changes in the expected level of usage and technological developments could impact the economic useful lives and the residual values of these assets, therefore future depreciation charges could be revised.

## 4. Auditors' Report on Preceding Annual Financial Statements

The auditors' report on the financial statements for the year ended 30 April 2011 was not subject to any audit qualification.

During the previous financial year ended 30 April 2011, a subsidiary was subjected to an Inland Revenue Board (IRB) field audit covering the years of assessment 2004 to 2008, where the IRB in turn raised assessments for additional tax liabilities and penalties amounting to RM2.23 million. Arising therefrom, the management estimates that further tax liabilities and penalties of RM2.18 million would be incurred for subsequent year of assessments 2009 to 2010 as a result of the spill over effect arising from the IRB findings. The Directors have reasonable grounds to believe that the subsidiary's income tax treatment is in order based on a recent decision of the Special Commissioner upheld by the High Court in relation to these issues. Based on the advice of its tax and legal advisors, an appeal has been made to the IRB. Consequently, no provision for the additional tax liabilities and penalties in dispute has been made to date.
