#### 1. Basis of Preparation

The interim financial statements are unaudited and have been prepared in accordance with Malaysian Financial Reporting Standards ("MFRS") 134: Interim Financial Reporting issued by the Malaysian Accounting Standards Board ("MASB") and Paragraph 9.22 of the Listing Requirements of Bursa Malaysia Securities Berhad ("Bursa Malaysia"). These interim financial statements also comply with IAS 34 Interim Financial Reporting issued by the International Accounting Standards Board.

The interim financial statements should be read in conjunction with the audited financial statements of the Group for the year ended 30 April 2013. These explanatory notes attached to the interim financial statements provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the Group since the financial year ended 30 April 2013.

# 2. Significant accounting policies

The significant accounting policies adopted in preparing these condensed consolidated interim financial statements are consistent with those of the audited financial statements for the year ended 30 April 2013 except for the adoption of the following new MFRSs and Interpretations, and amendments to certain MFRSs and Interpretations with effect from 1 May 2013:

- MFRS 3: Business Combinations (IFRS 3 Business Combinations issued by IASB in March 2004)

(Company No. 384662-U) (Incorporated in Malaysia)

## INTERIM FINANCIAL REPORT FOR THE FINANCIAL PERIOD ENDED 31 JULY 2013

#### NOTES TO THE INTERIM FINANCIAL REPORT

The adoption of the above MFRs and amendments to MFRs did not have material impact on the financial statements upon the initial application on 1 May 2013 except as discussed below:

#### **MFRS 12 Disclosures of Interests in Other Entities**

MFRS 12 includes all disclosure requirements for interests in subsidiaries, joint arrangements, associates and structured entities. A number of new disclosures are required. This standard affects disclosures only and has no impact on the Group's financial position or performance.

#### **MFRS 13 Fair Value Measurement**

MFRS 13 establishes a single source of guidance under MFRS for all fair value measurements. MFRS 13 does not change when an entity is required to use fair value, but rather provides guidance on how to measure fair value under MFRS when fair value is required or permitted. Based on the initial assessment upon adoption of this MFRS 13, the Group does not foresee any material impact on its financial position or performance.

# **MFRS 119 Employee Benefits**

The Group has adopted MFRS 119 and applied this standard retrospectively during the current period. Based on the initial assessment upon adoption of this MFRS 119, the Group does not foresee any material impact on the Group's financial position or performance.

# <u>Amendments to MFRS 101: Presentation of Financial Statements (Annual Improvements 2009-2011 Cycle)</u>

The amendments to MFRS 101 change the grouping of items presented in other comprehensive income. Items that could be reclassified (or recycled) to profit or loss at a future point in time (for example, exchange differences on translation of foreign operations and net loss or gain on available-for-sale financial assets) would be presented separately from items which will never be reclassified (for example, actuarial gains and losses on defined benefit plans and revaluation of land and buildings). The adoption of this amendment affects presentation only and has no impact on the Group's financial position and performance.

## MFRS 9 Financial Instruments: Classification and Measurement

MFRS 9 reflects the first phase of the work on the replacement of MFRS 139 Financial Instruments: Recognition and Measurement and applies to classification and measurement of financial assets and financial liabilities as defined in MFRS 139 Financial Instruments:

(Company No. 384662-U) (Incorporated in Malaysia)

#### INTERIM FINANCIAL REPORT FOR THE FINANCIAL PERIOD ENDED 31 JULY 2013

# NOTES TO THE INTERIM FINANCIAL REPORT

#### (i) Deferred tax assets

Deferred tax assets are recognised for all unused tax losses, unabsorbed capital allowances and unused Reinvestment Allowance to the extent that it is probable that taxable profit will be available against which the losses, capital allowances and reinvestment allowance can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and level of future taxable profits together with future tax planning strategies. The total carrying value of unrecognised tax losses and capital allowances of the Group was RM15.455 million (30.4.2013: RM14.004 million).

#### (ii) Depreciation of plant and equipment

The cost of paper making machinery is depreciated on a straight-line basis over the assets' useful lives. Management estimates the useful lives of these plant and machinery to be within ten years. These are common life expectancies applied in the industry. Changes in the expected level of usage and technological developments could impact the economic useful lives and the residual values of these assets, therefore future depreciation charges could be revised.

The auditors' report on the financial statements for the year ended 30 April 2013 was not subject to any audit qualification.

During the previous financial year ended 30 April 2011, a subsidiary was subjected to an Inland Revenue Board (IRB) field audit covering the years of assessment 2004 to 2008, where the IRB in turn raised assessments for additional tax liabilities and penalties amounting to RM2.23 million. Arising therefrom, the management estimates that further tax liabilities and penalties of RM2.55 million would be incurred for subsequent year of assessments 2009 to 2013 as a result of the spill over effect arising from the IRB findings. The Directors have reasonable grounds to believe that the subsidiary's income tax treatment is in order based on a recent decision of the Special Commissioner upheld by the High Court in relation to these issues. Based on the advice of its tax and legal advisors, an appeal has been made to the Special Commissioner of IRB which has fixed 11 February 2014 as the date of hearing. Consequently, no provision for the additional tax liabilities and penalties in dispute has been made to date.
