ABOUT ASTRO

ASTRO ALL ASIA NETWORKS plc is the region's leading cross-media operator with Direct-To-Home (DTH) satellite television services in Malaysia and Brunei. It is also the leading commercial radio broadcaster in Malaysia, a major publisher of TV guide and lifestyle magazines and the largest buyer and producer of TV content, as well as the country's premiere Malay film producer. Celestial Pictures, an ASTRO subsidiary and home to the world's largest Chinese film library and the Celestial Movies channel, is a major content aggregator with a global distribution network. The strength of these complementary brands has extended into interactive and multi-media services, including provision of content for mobile devices. AAAN, which is listed on Bursa Malaysia, operates out of the All Asia Broadcast Centre, a fully-integrated digital broadcast and production complex in Kuala Lumpur.
